Eventually, you will agreed discover a other experience and finishing by spending more cash. still when? accomplish you say you will that you require to get those all needs following having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will guide you to understand even more as regards the globe, experience, some places, once history, amusement, and a lot more?

It is your unconditionally own period to sham reviewing habit. in the midst of guides you could enjoy now is **Pdf Guide User Manager License Dragonframe** below.

KEY=DRAGONFRAME - JORDAN TYLER

Paris versus New York

A Tally of Two Cities

Penguin *"In his witty, high-concept, high-colored flibook, Mr. Muratyan's thesis emerges playfully on every page: Vive la différence!" -- The New York Times* A beautiful gift book of a popular travel journal as told by a lover of Paris wandering through New York When Vahram Muratyan began his online travel journal, Paris versus New York, he had no idea how quickly it would become one of the most buzzed-about sites on the Internet—it garnered more than a million and a half page views in just a few months, and the attention of savvy online critics. Now Muratyan presents his unique observations in this delightful book, featuring visually striking graphics paired with witty, thought-provoking taglines that celebrate the special details of each city. Paris versus New York is a heartfelt gift to denizens of both cities and to those who dream of big-city romance.

CyberArts 2020

Prix Ars Electronica. STARTS Prize '20

Dark Matter

Dark Matter is a full science fiction conversion for the 5th Edition of the World's Greatest Roleplaying that unlocks a universe of adventure for your table, without leaving your favorite fantasy staples behind. This full campaign setting is rife with gorgeous art, easy to learn, and generic enough to use with any campaign.

Arrogant Bastard

Hachette UK *"An exotically filthy, devastatingly beautiful story that will captivate and tease you long after the book is finished." -- Audrey Carlan, New York Times bestselling author on Beautiful Liar I'm known as the Black Widow because the desires I hide inside*

are pure poison. I was a different person once. Faith, a young wife, hoping to become a mother. My life was pleasant. Stable. It was hell. Until Killian Knight opened my eyes to a world of espionage and intrigue. He saw something in me, something I was too afraid to acknowledge. I didn't want to be excited by the danger. Didn't want to crave the wicked passion only he could provide. But I did want, so now I run. And I pay. I never meant to corrupt her, but I'm not sorry. After all, I'm already damned. After four years of searching and longing, I've finally found her. Faith, the one person in the world I breathe for. She lives beneath my skin as surely as I wear proof of our transgressions inked on my body. And like the forbidden fruit that doomed us from the beginning, our end is inevitable. We lived with no regret. We loved without inhibition. We betrayed those closest to us. We killed for that love. Now...we will burn in hell together.

The Art of The Mitchells vs. The Machines

Abrams COVER NOT FINAL *The official behind-the-scenes art book for Sony Pictures Animation's feature film The Mitchells vs. The Machines* *The Mitchells vs. The Machines* is a comedy about an everyday family's struggle to relate while technology rises up around the world! When Katie Mitchell, a creative outsider, is accepted into the film school of her dreams, her plans to meet "her people" at college are upended when her nature-loving dad Rick determines the whole family should drive Katie to school together and bond as a family one last time. Katie and Rick are joined by the rest of the family, including Katie's wildly positive mom Linda, her quirky little brother Aaron, and the family's delightfully chubby pug Monchi for the ultimate family road trip. Suddenly, the Mitchells' plans are interrupted by a tech uprising: All around the world, the electronic devices people love—from phones to appliances to an innovative new line of personal robots—decide it's time to take over. With the help of two friendly malfunctioning robots, the Mitchells will have to get past their problems and work together to save each other and the world! *The Art of The Mitchells vs. The Machines* gives insight into how the filmmakers were able to bring this fresh, new vision to the screen through concept art, sketches, and early character designs, accompanied by exclusive commentary from director/co-writer Michael Rianda and co-director/co-writer Jeff Rowe, alumni of the team behind Emmy Award-winning *Gravity Falls*, and producers Phil Lord and Christopher Miller, the innovative and creative minds behind *The Lego Movie* and the Academy Award-winning *Spider-Man: Into the Spider-Verse*.

Confucius

And the World He Created

Basic Books Confucius is perhaps the most important philosopher in history. Today, his teachings shape the daily lives of more than 1.6 billion people. Throughout East Asia, Confucius's influence can be seen in everything from business practices and family relationships to educational standards and government policies. Even as western ideas from Christianity to Communism have bombarded the region, Confucius's doctrine has endured as the foundation of East Asian culture. It is impossible to understand East Asia, journalist Michael Schuman demonstrates, without first engaging with Confucius and his vast legacy. Confucius created a worldview that is in many respects distinct from, and in conflict with, Western culture. As Schuman shows, the way that East Asian companies are managed, how family members interact with each other, and how governments see their role in society all differ from the norm in the West due to Confucius's lasting impact. Confucius has been credited with giving East Asia an advantage in today's world, by instilling its people with a devotion to learning, and propelling the region's economic progress. Still, the sage has also been highly controversial. For the past 100 years, East Asians have questioned if the region can become truly modern while Confucius remains so entrenched in society. He has been criticized for causing the inequality of women, promoting authoritarian regimes, and suppressing human rights. Despite these debates, East Asians today are turning to Confucius to help them solve the ills of modern life more than they have in a century. As a wealthy and increasingly powerful Asia rises on the world stage, Confucius, too, will command a more prominent place in global culture. Touching on philosophy, history, and current affairs, Confucius tells the vivid, dramatic story of the enigmatic philosopher whose ideas remain at the heart of East Asian civilization.

Snowlands

A Moon Blood (Book 1)

A brand-new, full-color graphic novel series for animal fantasy fans that delivers a daring adventure and a mysterious threat that has animals-prey and predator alike-disappearing. An orphaned white wolf cub exiled from her pack. A lone snow leopard searching for her missing cub. A bumbling young Pallas's cat who can't hold a tune. In the midst of a brutal winter in the unforgiving Snowlands the mountain sheep begin to go missing. Without their primary food source, the wolf pack faces starvation and blame falls on Feba, an orphaned wolf cub whose white fur the elders see as a bad omen. When pack leaders vote to banish Feba, and perhaps worse, she

runs off into the icy wilderness just as the other wolf cubs go missing. Lost in the treacherous mountains, Feba stumbles upon Usha, a snow leopard searching for her missing cub. While Usha wants nothing more than to continue her journey alone, she grudgingly allows Feba and a skittish young wild cat, Batu, to follow her. With a snowy trail full of deadly obstacles ahead, the unlikely trio sets out to find the Seeress, a magical being Usha hopes can find her missing son. Each step takes Usha, Feba, and Batu deeper into danger where they encounter other creatures-some helpful, some deceitful-and uncover a widespread peril in the mountains, the fate of the missing cubs, and what having a family truly means.

The Wish (A Roald Dahl Short Story)

Penguin UK *The Wish is a short, sharp, chilling story from Roald Dahl, the master of the shocking tale In The Wish, Roald Dahl, one of the world's favourite authors, tells a sinister story about the darker side of human nature. Here, an imaginative boy plays a game that quickly gets out of hand . . . The Wish is taken from the short story collection Someone Like You, which includes seventeen other devious and shocking stories, featuring the wife who serves a dish that baffles the police; a curious machine that reveals the horrifying truth about plants; the man waiting to be bitten by the venomous snake asleep on his stomach; and others. 'The absolute master of the twist in the tale.' (Observer) This story is also available as a Penguin digital audio download read by the sublime Stephen Mangan. Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.*

Fallocaust

Over two hundred and thirty years ago the Fallocaust happened, killing almost everything that lived and creating what is now known as the greywastes. A dead wasteland where cannibalism is a necessity, death your reality, and life before the radiation nothing but pictures in dog-eared magazines. Reaver is a greywaster, living in a small block controlled by a distant ruler said to have started the Fallocaust. He is a product of the savage world he was raised in and prides himself on being cold and cruel. Then someone new to his town catches his eye, someone different than everyone else. Without knowing why he starts to silently stalk him, unaware of where it will lead him.

An Introduction to Psycho-Oncology

Routledge Cancer is extremely common and in many situations a truly frightening disease, but for too long the psychological aspects and effects have been ignored. *An Introduction to Psycho-Oncology* deals in a clear and simple manner with the reactions of cancer patients to their illness, and the ways in which they can be helped. In the context of a multidisciplinary approach that takes account of medical treatments as well as psychological interventions, Guex offers suggestions for better ways of communicating so as to provide a therapeutic partnership between carer and client.

The Veiled Suite

The Collected Poems

Penguin UK Blended with the intricacies of European and Urdu traditional cultures, the poetic works of Agha Shahid Ali had the power to transform the ordinary into something extraordinary. *The Veiled Suite: The Collected Poems* is an anthology of his life works that spans to thirty years of his career as a poet and six successful volumes that he had the chance to publish during his lifetime. This book opens with his last poetic composition *The Veiled Suite: The Collected Poems*, a canzone, which was published posthumously. He had penned this poem a year prior to his death. This book contains some of his famous poems like *Postcard from Kashmir*, *A Lost Memory of Delhi*, *Snowmen*, *Cracked Portraits*, *Story of a Silence*, *Poets on Bathroom Walls*, *Now No Longer Little*, *Medusa*, *The Blessed Word: A prologue*, *Some Visions of the World*, *Cashmere*, *New Delhi Airport*, *I have Loved*, and many more remarkable poems. From his early works to his mature translations of Ghazals, the readers can evidently see his progression from his directly descriptive poetic works to the dynamic and stratified compositions of his later collections in this book. This is the underlying factor that adds to make *The Veiled Suite: The Collected Poems*, the ultimate book for his fans.

Eastwest Books (Madras)

Mastering Kilns and Firing

Raku, Pit and Barrel, Wood Firing, and More

Quarry Books Learn the key techniques, tips, and tricks for pit, barrel, raku, and wood firing. Fall in love with flames, wood, and the effect that unique firing methods have on pottery. Move beyond the electric kiln and explore the dramatic surfaces of raku, the flashes of salt firing, and the rustic look of ash rivulets. In this book, Lindsay Oesterritter provides a crash course in the most accessible methods of alternative firing. Raku firing requires minimal equipment and can easily be fueled with a standard propane tank. Likewise, pit and barrel firing do not require much in the way of initial investment. Yet all these techniques provide an immediate glimpse into the magic of firing. Bright reds and blues, dramatic black and white crackle, even metallic luster are instantly possible. For more experienced potters and studios looking to offer more, Oesterritter also explores wood-fired kilns. Drawing on years of experience and extensive interviews with fellow wood-fire potters, there is no comparable resource on the market. Features on top potters working today get to the heart of specialty techniques and asides show firing variations and traditional kilns in different cultures around the world. A gallery of showstopping work from a diverse group of artists round out the package and inspire you to get started.

The Making of the 1963 Baptist Faith and Message

Wipf and Stock Publishers Questions regarding the orthodoxy of Dale Moody and Ralph Elliott propelled the Southern Baptist Convention (SBC) toward a re-evaluation of its doctrinal statement, the Baptist Faith and Message (BFM). The SBC adopted this document in 1925 under the leadership of E. Y. Mullins when faced by the challenge of modernism. This dissertation argues that the 1962 Committee on Baptist Faith and Message produced a document that expressed subtle shifts in Baptist theology. This shift had

the effect of assuring the conservative base while allowing enough latitude in interpretation for those serving in the academy to teach more "progressive" views. After a first, introductory chapter, chapters 2 and 3 trace the historical developments leading to the formation of the Committee. Biblical inspiration and interpretation were key concerns, but as chapter 3 demonstrates, other concerns drew the attention of the Committee. Chapters 4 and 5 deal with the ever-sensitive issue of the relationship between Baptist confessionalism, soul liberty, and soul competency. Each chapter examines how Baptist confessionalism functioned in relation to these concepts. Chapter 6 examines in detail the work of the Committee itself and looks at those persons or groups who influenced the outcome of the Committee's work. Of special note are the contributions made by Wayne Ward, Leo Garrett, the religion faculty of Mercer University, and the theology faculty of Southern Seminary. Chapter 7 examines four areas where the 1963 BFM altered the confessional expression of Baptist doctrines: (1) Scripture; (2) Man; (3) Salvation; (4) The Church. Chapter 8 is the conclusion. Four appendices contain early drafts of the Committee's work.

A Course in Rasch Measurement Theory

Measuring in the Educational, Social and Health Sciences

Springer *This book applies Rasch measurement theory to the fields of education, psychology, sociology, marketing and health outcomes in order to measure various social constructs. The chief focus is on first principles of both the theory and its applications. Because software is readily available to carry out analyses of real data, numerous small examples are provided in the book. The software used in these examples, and which is helpful in working through the text, is RUMM2030 (Rasch unidimensional models for measurement). The book's main goals are to equip researchers with the confidence they need in order to be in control of the analysis and interpretation of data, and to make professional rather than primarily statistical decisions mechanically. Because statistical principles are necessarily involved, reviews of the requisite statistics are provided in the Appendix. The content is based on courses that have been taught both online and in intensive form for over two decades. Although first principles are emphasised, much of the book is based on research conducted by the two authors and their colleagues.*

The Art of George R. R. Martin's A Song of Ice and Fire

Volume 2

Fantasy Flight Pub Incorporated Features lavish illustrations by such artists as Jim Burns, John Howe, Ted Nasmith, Steve Stone, Charles Vess, Stephen Youll and many others. All of the illustrations are from book covers, special editions, comic books, board and card games, concept art, and fan art personally selected by George Martin.

Textile Messages

Dispatches from the World of E-Textiles and Education

Peter Lang Gmbh, Internationaler Verlag Der Wissenschaften eTextile Messages focuses on the emerging field of electronic textiles, or e-textiles - computers that can be soft, colorful, approachable, and beautiful. E-textiles are articles of clothing, home furnishings, or architectures that include embedded computational and electronic elements. This book introduces a collection of tools that enable novices - including educators, hobbyists, and youth designers - to create and learn with e-textiles. It then examines how these tools are reshaping technology education - and DIY practices - across the K-16 spectrum, presenting examples of the ways educators, researchers, designers, and young people are employing them to build new technology, new curricula, and new creative communities.

An Odd Kind of Fame

Stories of Phineas Gage

MIT Press The true story of the first case to reveal the relation between the brain and complex personality characteristics.

Releasing the Imagination

Essays on Education, the Arts, and Social Change

John Wiley & Sons "This remarkable set of essays defines the role of imagination in general education, arts education, aesthetics, literature, and the social and multicultural context.... The author argues for schools to be restructured as places where students reach out for meanings and where the previously silenced or unheard may have a voice. She invites readers to develop processes to enhance and cultivate their own visions through the application of imagination and the arts. *Releasing the Imagination* should be required reading for all educators, particularly those in teacher education, and for general and academic readers." —Choice "Maxine Greene, with her customary eloquence, makes an impassioned argument for using the arts as a tool for opening minds and for breaking down the barriers to imagining the realities of worlds other than our own familiar cultures.... There is a strong rhythm to the thoughts, the arguments, and the entire sequence of essays presented here." —American Journal of Education "Releasing the Imagination gives us a vivid portrait of the possibilities of human experience and education's role in its realization. It is a welcome corrective to current pressures for educational conformity." —Elliot W. Eisner, professor of education and art, Stanford University "Releasing the Imagination challenges all the cant and cliché littering the field of education today. It breaks through the routine, the frozen, the numbing, the unexamined; it shocks the reader into new awareness." —William Ayers, associate professor, College of Education, University of Illinois, Chicago

A Divine Union

Blurb *Twin Flames* are the ultimate soul partner, and *Divine Union* is the ultimate goal within this connection. Many people seek their Twin Flame without knowing how to seek the true Divine Union that their soul is calling for. *Twin Flames in Union* Roni and Ellie create accessible spirituality and share the tools and wisdom that has been channeled to them throughout the journey. These are the tools and exercises that we have used over the seven years of our journey to fully heal our Union and come home to our soul. This is a full, comprehensive guide on the Twin Flame Union and the search for Divine Union. Come home to the Divinity within now.

50 Things that Really Matter

Hallmark Cards, Inc.

Red Hood

HarperCollins *A dark, engrossing, blood-drenched tale of the familiar threats to female power—and one girl’s journey to regain it. Five starred reviews greeted this powerful story from Elana K. Arnold, author of the Printz Honor winner Damsel. You are alone in the woods, seen only by the unblinking yellow moon. Your hands are empty. You are nearly naked. And the wolf is angry. Since her grandmother became her caretaker when she was four years old, Bisou Martel has lived a quiet life in a little house in Seattle. She’s kept mostly to herself. She’s been good. But then comes the night of homecoming, when she finds herself running for her life over roots and between trees, a fury of claws and teeth behind her. A wolf attacks. Bisou fights back. A new moon rises. And with it, questions. About the blood in Bisou’s past, and on her hands as she stumbles home. About broken boys and vicious wolves. About girls lost in the woods—frightened, but not alone.*

The Sculptural Idea

Waveland Press *This book examines many different aspects of sculpture: its history, form, matter, content, etc.*

Shaq Talks Back

St. Martin's Press *It's rare to discover a candid sports autobiography-- even rare when the author is one of the most recognizable athletes in the world. But in Shaq Talks Back, Shaquille O'Neal for the first time talks frankly about his childhood, his life, his rivalries, and his career, culminating in a dramatic, behind-the-scenes account of the Los Angeles Lakers' drive to the NBA Championship. At seven feet one inch tall and 330 pounds, Shaq has always faced outsized expectations, even as a child when he towered over other kids. Shaq Talks Back is the story of how potential became reality-- how someone expected to be a champion finally learned to become one. Beginning with his memory of crying on the court after the Lakers defeated the Indiana Pacers, Shaq takes us back to his younger days in Newark and Jersey City, New Jersey, then to Georgia and finally to Germany, where he began to harness some of his height and strength. From there, he recounts the remarkable progress of his basketball career, changing from a big but inexperienced*

*teenager to a dominant college and professional player. Shaq talks about: * Playing at Louisiana State University for the unpredictable coach Dale Brown * Signing the biggest rookie contract ever with the Orlando Magic-- and going to the NBA Finals for the first time * What happened next: dissention, disappointment, and his decision to leave for Los Angeles * The dysfunctional Lakers who were never able to win the big games * Dealing with egos as he finds the right chemistry with Kobe Bryant, Phil Jackson, and new additions to the team * Rivalries with Alonzo Mourning, Patrick Ewing, Hakeem Olajuwon, David Robinson, and others * The trouble with free throws... * "Bling-bling" and women: the larger-than-life world of NBA players off the court * Inside the Lakers' comeback from the brink against Portland and the drive to the NBA championship Funny, insightful, opinionated, and unexpectedly moving, Shaq Talks Back is the true voice of the NBA's best player.*

Animation in Process

Laurence King Publishing From Hollywood blockbuster to striving independent filmmaker, from mobile phone games to characters advertising products on television, from pseudo live action through to virtual environments, animation is able to transcend boundaries to new audiences. This book shows how artists, designers, filmmakers, programmers, directors, writers, and producers have seized the chance to entertain using a versatile and compelling medium. Animation in Process is not only a creative showcase exposing the best talent in the field today, but an in-depth exploration of working methods and processes behind the highly polished features they create, with previously unseen material such as sketches, working drawings, storyboards, and other work-in-progress that documents the animators' craft.

The Computer Clubhouse

Constructionism and Creativity in Youth Communities

This book is about the Computer Clubhouse — the idea and the place — that inspires youth to think about themselves as competent, creative, and critical learners. So much of the social life of young people has moved online and participation in the digital public has become an essential part of youth identities. The Computer Clubhouse makes an important contribution not just in local urban communities but also as a model for after-school learning environments globally. This model has been uniquely successful scaling up, with over 100 clubhouses thriving worldwide. Showcasing research by scholars and evaluators that have documented and analyzed

the international Computer Clubhouse Network, this volume considers the implications of their findings in the context of what it means to prepare youth to meet the goals of the 21st century. Book Features: A successful, scalable model for providing at-risk youth a rich array of media design and computing experiences. Diverse examples of media created in the Clubhouse, ranging from digital stories, video games, interface designs, and digital art projects. Color photos of life in the Clubhouse, including youth projects. Interviews with stakeholders in the Clubhouse Network, from the director to coordinators at various international Clubhouses.

The Art of New York

ABRAMS A homage to the vitality, power, beauty and magic of a great city in which paintings, drawings, sculptures and prints by leading twentieth-century artists have been gathered together to form an insightful, loving portrait of "Oz on the Hudson." The editors have selected images that time and again reveal truths about the experience of living in New York: luminous skyscrapers against the night sky; a couple sunbathing on a roof; fantastic giant zebras straddling Midtown; crowds strolling past hot-dog stands on the Coney Island boardwalk; the quiet interior of an empty office at twilight. They include gritty cityscapes by Bellows and Glackens, cool architectural studies of Sheeler, O'Keefe, Feininger and works by Hassam, Marin, Mondrian, Hopper and Christo. ISBN 0-8109-1809-9 : \$49.50.

Making an Animated Movie

"Describes the process of making an animated movie from start to finish. Includes several fun facts and a "That's Amazing!" special feature"--

Colleges that Change Lives

40 Schools You Should Know about Even If You're Not a

Straight-A Student

Penguin Mass Market *The distinctive group of forty colleges profiled here is a well-kept secret in a status industry. They outdo the Ivies and research universities in producing winners. And they work their magic on the B and C students as well as on the A students. Loren Pope, director of the College Placement Bureau, provides essential information on schools that he has chosen for their proven ability to develop potential, values, initiative, and risk-taking in a wide range of students. Inside you'll find evaluations of each school's program and personality to help you decide if it's a community that's right for you; interviews with students that offer an insider's perspective on each college; professors' and deans' viewpoints on their school, their students, and their mission; and information on what happens to the graduates and what they think of their college experience. Loren Pope encourages you to be a hard-nosed consumer when visiting a college, advises how to evaluate a school in terms of your own needs and strengths, and shows how the college experience can enrich the rest of your life.*

Animation

Hachette UK *From scriptwriting through to production, this introduction to animation for students surveys key technical processes and examines a variety of stylistic approaches. The book includes visual examples from key animators and illustrated features on how to create exciting animation for a variety of audiences. It begins with history and context, and quickly moves on to more practical aspects of the craft. Box features outline practical information and visual examples of different animators' work and working processes teach how to create exciting animation for any audience. A final chapter on job roles shows how students can get on in animation. This book is a vital resource for anyone who intends to make animation a part of their career.*

A World Without Ice

Penguin *A co-winner of the 2007 Nobel Peace Prize offers a clear-eyed explanation of the planet's imperiled ice. Much has been written about global warming, but the crucial relationship between people and ice has received little focus—until now. As one of the world's leading experts on climate change, Henry Pollack provides an accessible, comprehensive survey of ice as a force of nature, and the potential consequences as we face the possibility of a world without ice. A World Without Ice traces the effect of mountain glaciers on supplies of drinking water and agricultural irrigation, as well as the current results of melting permafrost and shrinking*

Arctic sea ice—a situation that has degraded the habitat of numerous animals and sparked an international race for seabed oil and minerals. Catastrophic possibilities loom, including rising sea levels and subsequent flooding of lowlying regions worldwide, and the ultimate displacement of millions of coastal residents. A World Without Ice answers our most urgent questions about this pending crisis, laying out the necessary steps for managing the unavoidable and avoiding the unmanageable.

Get Your Share

Penguin Financial planner and broker Julie Stav has been helping women get rich for years. Now she offers her hands-on techniques and inspiring advice in a book that simplifies the stock market and puts a new world of wealth within reach. And with updated information—including current examples, the hottest new websites, and more—this smart, sensible, and down-to-earth book is the ideal guide for women who want to invest in their dreams.

Plain Roots

Clear Creek Publishers Taryn Clark thought she'd outgrown the need to find her birth mother. She thought that a successful career and a comfortable life in the city were enough to be happy. Did she really need to know about the woman who had given her away? Adopted at birth, her first few years were happy. It hadn't mattered that she didn't know her heritage; she had parents who loved her and wanted her. But divorce, and then death, ripped their tiny family apart, and at the tender age of six, she entered the foster care system. Over the next dozen years, she shuffled from home to home. Finding her roots seemed an impossible dream. But dreams are resilient. An unexpected discovery awakens old yearnings of belonging to a family, of being part of something bigger than herself. Finding the brief, ambiguous note from her birth mother is enough to unfurl the ribbons of hope still binding her heart. Her quest takes her to Lancaster County, Pennsylvania and the heart of the Plain community. Aided by her unique eye color, a healthy dose of luck, and the private investigator she hires, Taryn finds her birth family easily enough, but finding the truth is another matter. In all her musings, she never imagined a scenario where her mother might be Amish. She never imagined that the fabric of her life might be a patchwork of faith and fear, stitched together with a dark family secret. Taryn is determined to trace her roots, even if it means digging in the mud to do so. Now she's caught in the quicksand of a shocking discovery and the consequences of choices made, almost forty years ago. She'll risk everything to uncover the truth and to claim the family--and the roots--she so desperately craves.
