THINK AND GROW RICH

Srithi Publishers & Distributors Ever wondered how life would be if we could condition our minds to Think and Grow Rich? Author Napoleon Hill claims to have based this book on twenty years of rigorous research on the lives of those who had amassed great wealth and made a fortune. Observing their habits, their ways of working and the principles they followed, Hill put together laws and philosophies that can be practiced in everyday life to achieve all-round success. The narrative is rich with stories and anecdotes, which not only inspire, but also show a way forward to take action. After all, riches are not just material, but also pertaining to the mind, body and spirit. Having sold more than fifteen million copies across the world, this book remains the most read self-improvement book of all times!

This series contains the decisions of the Court in both the English and French texts.

RICH DAD, POOR SON

POVERTY IS THE EASIEST THING TO INHERIT A CHILD

RICH DAD, POOR SONPoverty is the easiest thing to inherit a childWhen I

say that the easiest thing for a father to inherit their children is his poorness, I do not refer to his material possessions, valuable objects or money in any of its presentations. I refer to the way in which us fathers - conscious or unconsciously- inherit our good and bad habits to our children, and that they will be used as an example to build up their growth and development. Our words must be consistent with our actions, Our children's mind won't remember or give any importance to the million of advices we give them, if they're not coupled with our actions. Teaching them a good financial education is the basis of their economic success. From a very young age, they must know how to add and generate and not to subtract. It is not enough to inherit an incredible yacht and a beautiful mansion in the beach, if you never showed your children how to fish. It is enough to invest a little time effort and dedication in showing them how to fish, for them to be able to buy their own yacht and mansion in a little time. A nice read to help you think if you're well-educating your children.

GLOBAL INNOVATION INDEX 2020

WHO WILL FINANCE INNOVATION?

WIPO The Global Innovation Index 2020 provides detailed metrics about the innovation performance of 131 countries and economies around the world. Its 80 indicators explore a broad vision of innovation, including political environment, education, infrastructure and business sophistication. The 2020 edition sheds light on the state of innovation financing by investigating the evolution of financing mechanisms for entrepreneurs and other innovators, and by pointing to progress and remaining challenges - including in the context of the economic slowdown induced by the coronavirus disease (COVID-19) crisis.

THINKING, FAST AND SLOW

Penguin UK In this work the author, a recipient of the Nobel Prize in Economic Sciences for his seminal work in psychology that challenged the rational model of judgment and decision making, has brought together his many years of research and thinking in one book. He explains the two systems that drive the way we think. System 1 is fast, intuitive, and emotional; System 2 is slower, more deliberative, and more logical. He exposes the extraordinary capabilities, and also the faults and biases, of fast thinking, and reveals the pervasive influence of intuitive impressions on our thoughts and behavior. He reveals where we can and cannot trust our intuitions and how we can tap into the benefits of slow thinking. He offers practical and enlightening insights into how choices are made in both our business and our personal lives, and how we can use different techniques to guard against the mental glitches that often get us into trouble. This author's work has transformed cognitive psychology and launched the new fields of behavioral economics and happiness studies. In

I AM MALALA

THE GIRL WHO STOOD UP FOR EDUCATION AND WAS SHOT BY THE TALIBAN

Hachette UK ***Winner of the 2014 Nobel Peace Prize*** In 2009 Malala Yousafzai began writing a blog on BBC Urdu about life in the Swat Valley as the Taliban gained control, at times banning girls from attending school. When her identity was discovered, Malala began to appear in both Pakistani and international media, advocating the freedom to pursue education for all. In October 2012, gunmen boarded Malala's school bus and shot her in the face, a bullet passing through her head and into her shoulder. Remarkably, Malala survived the shooting. At a very young age, Malala Yousafzai has become a worldwide symbol of courage and hope. Her shooting has sparked a wave of solidarity across Pakistan, not to mention globally, for the right to education, freedom from terror and female emancipation.

RICH DAD, POOR DAD

Lulu Press, Inc Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."

THE 48 LAWS OF POWER

Profile Books **THE MILLION COPY INTERNATIONAL BESTSELLER** Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the

master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power.

_____ (From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, *Volume Three*, was wack. People set higher standards for me, and I love it.

THE 5AM CLUB

OWN YOUR MORNING. ELEVATE YOUR LIFE.

HarperCollins Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, *The 5am Club* will walk you through: How great geniuses, business titans and the world's wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed "Insider-only" tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, *The 5am Club* is a work that will transform your life. Forever.

OPERATION MASSACRE

Seven Stories Press 1956. Argentina has just lost its charismatic president **Juán Perón** in a military coup, and terror reigns across the land. **June 1956**: eighteen people are reported dead in a failed Peronist uprising. **December 1956**: sometime journalist, crime fiction writer, studiously unpoliticized chess aficionado **Rodolfo Walsh** learns by chance that one of the executed civilians from a separate, secret execution in June, is alive. He hears that there may be more than one survivor and believes this unbelievable story on the spot. And right there, the monumental classic **Operation Massacre** is born. Walsh made it his mission to find not only the survivors but widows, orphans, political refugees, fugitives, alleged informers, and anonymous heroes, in order to determine what happened that night, sending him on a journey that took over the rest of his life. Originally published in 1957, **Operation Massacre** thoroughly and breathlessly recounts the night of the execution and its fallout.

HOW TO THINK LIKE A MILLIONAIRE

New World Library In this inspiring book, millionaires **Mark Fisher** and **Marc Allen** demonstrate that success is available to all who want it and who put their desires into action. Rather than waiting for a stroke of fate to change your situation, you can immediately begin to work with your most powerful ally — your own subconscious mind. When you do this by applying the specific and easy-to-learn principles presented here, success soon follows. By imprinting a personal success formula on your subconscious, you can program yourself to succeed, instead of failing by default or, even worse, never trying in the first place. In these pages, you'll learn how to weed out limiting beliefs and to plant positive new ones. You'll also discover other components of the millionaire mind-set, including why it's better to make quick decisions based on intuition and to stick to them rather than to vacillate, the importance of balancing persistence with flexibility, and how to effectively implement step-by-step strategies to move toward a chosen goal. Clear, simple, and wise, **How to Think Like a Millionaire** offers the tools you need to live the life of your dreams.

DEVELOPING THE LEADER WITHIN YOU

Thomas Nelson Developing the Leader Within You is Dr. Maxwell's first and most enduring leadership book, having sold more than one million copies. In this Christian Leaders Series edition of this Maxwell classic, you will discover the biblical foundation for leadership that John Maxwell has used as a pastor and business leader for more than forty years. These same principles and practices are available for everyday leaders in every walk of life. It is a lofty calling to lead a group—a family, a church, a nonprofit, a business—and the timeless principles in this book will bring positive change in your life and in the lives of those around you. You will learn: The True Definition of Leader. "Leadership is influence. That's it. Nothing more; nothing less." The Traits of Leadership. "Leadership is not an exclusive club for those who were 'born with it.' The traits that are the raw materials of leadership can be acquired. Link them up with desire, and nothing can keep you from becoming a leader." The Difference Between Management and Leadership. "Making sure the work is done by others is the accomplishment of a manager. Inspiring others to do better work is the accomplishment of a leader." God has called every believer to influence others, to be salt and light. Developing the Leader Within You will equip

you to improve your leadership and inspire others.

THE ORANGE ECONOMY

AN INFINITE OPPORTUNITY

Inter-American Development Bank This manual has been designed and written with the purpose of introducing key concepts and areas of debate around the "creative economy", a valuable development opportunity that Latin America, the Caribbean and the world at large cannot afford to miss. The creative economy, which we call the "Orange Economy" in this book (you'll see why), encompasses the immense wealth of talent, intellectual property, interconnectedness, and, of course, cultural heritage of the Latin American and Caribbean region (and indeed, every region). At the end of this manual, you will have the knowledge base necessary to understand and explain what the Orange Economy is and why it is so important. You will also acquire the analytical tools needed to take better advantage of opportunities across the arts, heritage, media, and creative services.

LOLITA

Penguin UK 'Lolita is comedy, subversive yet divine ... You read Lolita sprawling limply in your chair, ravished, overcome, nodding scandalized assent' Martin Amis, Observer Poet and pervert, Humbert Humbert becomes obsessed by twelve-year-old Lolita and seeks to possess her, first carnally and then artistically, out of love, 'to fix once for all the perilous magic of nymphets'. Is he in love or insane? A silver-tongued poet or a pervert? A tortured soul or a monster? Or is he all of these? Humbert Humbert's seduction is one of many dimensions in Nabokov's dizzying masterpiece, which is suffused with a savage humour and rich, elaborate verbal textures. Filmed by Stanley Kubrick in 1962 starring James Mason and Peter Sellers, and again in 1997 by Adrian Lyne starring Jeremy Irons and Melanie Griffith, Lolita has lost none of its power to shock and awe.

THE STATE OF WORLD FISHERIES AND AQUACULTURE 2020

SUSTAINABILITY IN ACTION

Food and Agriculture Organization of the United Nations The 2020 edition of The State of World Fisheries and Aquaculture has a particular focus on sustainability. This reflects a number of specific considerations. First, 2020 marks the twenty-fifth anniversary of the Code of Conduct for Responsible Fisheries (the Code). Second, several Sustainable Development Goal indicators mature in 2020. Third, FAO hosted the International Symposium on Fisheries Sustainability in late 2019, and fourth, 2020 sees the finalization of specific FAO guidelines on sustainable aquaculture growth, and on social sustainability along value chains. While Part 1 retains the format of previous editions, the structure of the rest of the publication has been revised. Part 2 opens with a special section marking the twenty fifth anniversary of the Code. It also focuses on issues coming to the fore, in particular, those related to Sustainable Development Goal 14 and its indicators for which FAO is the "custodian" agency. In addition, Part 2 covers various aspects of fisheries and aquaculture sustainability. The topics discussed range widely, from data and information systems to ocean pollution, product legality, user rights and climate change adaptation. Part 3 now forms the final part of the publication, covering projections and emerging issues such as new technologies and aquaculture biosecurity. It concludes by outlining steps towards a new vision for capture fisheries. The State of World Fisheries and Aquaculture aims to provide objective, reliable and up-to-date information to a wide audience - policymakers, managers, scientists, stakeholders and indeed everyone interested in the fisheries and aquaculture sector.

NINETEEN EIGHTY-FOUR

epubli "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

LOS OJOS DE MI PRINCESA 2

FUERTE POR AMOR. LA HISTORIA QUE CAUTIVÓ A MÁS DE 2 MILLONES DE CORAZONES, AÚN NO TERMINA...

Ediciones Selectas Diamante SA de CV «Con un estilo adictivo ya conocido por sus lectores, Carlos Cuauhtémoc Sánchez ha escrito una novela magistral que plasma los temores y frustraciones del amor. Con afinadísima técnica literaria, cuenta una historia absorbente, íntima y poética que se precipita hasta un final inesperado. Sheccid, el personaje más fascinante y complejo del autor, reaparece para enfrentar al protagonista con el significado de su vida, retomando así una de las historias más conmovedoras y exitosas de los últimos tiempos». José Francisco Hernández. Autor y crítico literario. «Puse en este libro demasiado de mí. Todas mis emociones y recuerdos confluyeron en sus páginas. Nunca antes había escrito una novela tan personal; revelo en ella cosas que incluso mi familia sabrá por primera vez». Carlos Cuauhtémoc Sánchez.

WHY IT CAN MATTER MORE THAN IQ

Bloomsbury Publishing Daniel Goleman offers a vital new curriculum for life that can change the future for us and for our children

THE COUNT OF MONTE CRISTO

BookRix The Count of Monte Cristo is an adventure novel by French author Alexandre Dumas. It is one of the author's most popular works, along with The Three Musketeers. Like many of his novels, it is expanded from plot outlines suggested by his collaborating ghostwriter Auguste Maquet. The story takes place in France, Italy and islands in the Mediterranean during the historical events of 1815-1838. It begins from just before the Hundred Days period (when Napoleon returned to power after his exile) and spans through to the reign of Louis-Philippe of France. The historical setting is a fundamental element of the book. An adventure story primarily concerned with themes of hope, justice, vengeance, mercy and forgiveness, it focuses on a man who is wrongfully imprisoned, escapes from jail, acquires a fortune and sets about getting revenge on those responsible for his imprisonment. However, his plans have devastating consequences for the innocent as well as the guilty. In addition, it is a story that involves romance, loyalty, betrayal and selfishness, shown throughout the story as characters slowly reveal their true inner nature. The book is considered a literary classic today. According to Luc Sante, "The Count of Monte Cristo has become a fixture of Western civilization's literature, as inescapable and immediately identifiable as Mickey Mouse, Noah's flood, and the story of Little Red Riding Hood."

WONDER

Random House 'Has the power to move hearts and change minds' Guardian
 'Tremendously uplifting and a novel of all-too-rare power' Sunday Express
 'An amazing book . . . I absolutely loved it. I cried my eyes out' Tom Fletcher
 Read the award-winning, multi-million copy bestselling phenomenon that is WONDER. 'My name is August. I won't describe what I look like. Whatever you're thinking, it's probably worse.' Auggie wants to be an ordinary ten-year-old. He does ordinary things - eating ice cream, playing on his Xbox. He feels ordinary - inside. But ordinary kids don't make other ordinary kids run away screaming in playgrounds. Ordinary

kids aren't stared at wherever they go. Born with a terrible facial abnormality, Auggie has been home-schooled by his parents his whole life. Now, for the first time, he's being sent to a real school - and he's dreading it. All he wants is to be accepted - but can he convince his new classmates that he's just like them, underneath it all? A funny, frank, astonishingly moving debut - and a true global phenomenon - to read in one sitting, pass on to others, and remember long after the final page.

FRANKENSTEIN (MODERN ENGLISH TRANSLATION)

Carefully edited for modern readers to allow for easier reading Obsessed with the secret of creation, Swiss scientist Dr. Victor Frankenstein cobbles together a body he's determined to bring to life. And one fateful night, he does. When the creature opens his eyes, the doctor is repulsed: his vision of perfection is, in fact, a hideous monster. Dr. Frankenstein abandons his creation, but the monster won't be ignored, setting in motion a chain of violence and terror that shadows Victor to his death. Mary Shelley's *Frankenstein*, a gripping story about the ethics of creation and the consequences of trauma, is one of the most influential Gothic novels in British literature. It is as relevant today as it is haunting.

THE HOUSE ON MANGO STREET

Vintage NATIONAL BESTSELLER • A coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. *The House on Mango Street* is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes-sometimes heartbreaking, sometimes deeply joyous-Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers. "Cisneros draws on her rich [Latino] heritage ... and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one." —The New York Times Book Review

THE AGE OF SUSTAINABLE DEVELOPMENT

Columbia University Press Jeffrey D. Sachs is one of the world's most perceptive and original analysts of global development. In this major new work he presents a compelling and practical framework for how global citizens can use a holistic way forward to address the seemingly intractable worldwide problems of persistent extreme poverty, environmental degradation, and political-economic injustice: sustainable development. Sachs offers readers, students, activists, environmentalists, and policy makers the tools, metrics, and practical pathways they need to achieve Sustainable Development Goals. Far more than a rhetorical

exercise, this book is designed to inform, inspire, and spur action. Based on Sachs's twelve years as director of the Earth Institute at Columbia University, his thirteen years advising the United Nations secretary-general on the Millennium Development Goals, and his recent presentation of these ideas in a popular online course, *The Age of Sustainable Development* is a landmark publication and clarion call for all who care about our planet and global justice. Visit <http://cup.columbia.edu/extras/supplement/sachs-9780231173148> for additional teaching materials for students and instructors, including chapter summaries, key concepts, problem sets, and slides.
