**Alienology** Candlewick Press *Alienology* features a retro-style, outer-space map that tours the civilizations of alien planets while offering clues about how to identify aliens who have infiltrated human society, in a volume complemented by brain-teasers and puzzles. **Wizardology A Guide to Wizards of the World** Candlewick Press (MA) History's most respected wizard, Merlin, describes the skills, techniques, and equipment of wizards around the globe, explains their characteristic use of spells, familiars, and potions, and offers other information and advice for apprentices. **Dinosaurology The Search for a Lost World** The next Ology is set to be the bestselling title in the series, which has already sold over 1 million copies in Australian alone. Full of interesting facts and interactive paper novelties, Dinosaurology makes the perfect gift for any child or adult who is interested in the lost world. **Oceanology The True Account of the Voyage of the Nautilus by Zoticus de Lesseps, 1863** Oceanology purports to be the true account of a voyage of discovery beneath the waves, undertaken by a Captain Nemo in his submarine the Nautilus in 1866. Accompanied by a crew that included a number of scientists, naturalists and artists, the objective of the expedition was to circumnavigate the globe, exploring the world's great oceans to uncover their many mysteries. The book was compiled by de Lesseps, a 16 year-old assistant to Nemo's marine biologist Professor Pierre Aronnax. He was the only member of the expedition to return alive, some three years later. His next position of employment was as an assistant to the fledgling writer Jules Gabriel Verne in Paris but ill-health, which had dogged de Lesseps since his return from the voyage, caused him to be admitted to a sanatorium in 1869. He died that same year. **Writing** Nelson Thornes This is a bank of ideas designed to help teachers to develop the writing of primary-school pupils. It is concerned mainly with the compositional aspects of writing, rather than spelling, handwriting and punctuation, and consists of five main sections, dealing with writing stories and poems, writing for information, writing from personal experience, and redrafting and proof-reading. **Alienology** Templar Books The year is 1969, and Professor Allen Gray is ready to lead you on a magical mystery tour of a world where space creatures mingle with earthlings, unbeknownst to all but a chosen few **Egyptology Search for the Tomb of Osiris : Being the Journal of Miss Emily Sands, November 1926** Journal of Emily Sands 1926 - "While much of Ancient Egypt now stands uncovered, it is certain that her distant sands still hide many wonderful things, awaiting only those who have the courage and determination to find them." **Monsterology** Candlewick Press Dr. Drake's collection of data on monsters. **The Ologies Collection** Candlewick Press (MA) **Vampireology The True History of the Fallen Ones** The ninth title in the hugely popular Ology series is a gorgeous volume, not to be missed. Containing an array of gems, booklets and paper novelties including envelopes, gatefolds and photographs, the book is the true history of those who fell from grace - the blood drinkers, or 'vampires', who have lived amongst and preyed on humans since the earliest days. The frenzy for all things vampire shows no signs of abating, and with sales of over 1 million Ologies in Australia to date, the phenomenon will be taken to new markets with the launch of the Nintendo editions of Dragonology, followed by Wizardology and Pirateology. **Dragonology The Complete Book of Dragons** Candlewick Press Presents an introduction to dragonology that includes spells for catching dragons, their natural history, and descriptions of legendary dragons and dragonslayers. **Scientology 0-8 The Book of Basics Wonders of Egypt A Course in Egyptology** Templar Books The perfect follow-up to 'Egyptology' this is an entirely genuine course in the subject. **Introduction to Radar Using Python and MATLAB** Artech House This comprehensive resource provides readers with the tools necessary to perform analysis of various waveforms for use in radar systems. It provides information about how to produce synthetic aperture (SAR) images by giving a tomographic formulation and implementation for SAR imaging. Tracking filter fundamentals, and each parameter associated with the filter and how each affects tracking performance are also presented. Various radar cross section measurement techniques are covered, along with waveform selection analysis through the study of the ambiguity function for each particular waveform from simple linear frequency modulation (LFM) waveforms to more complicated coded waveforms. The text includes the Python tool suite, which allows the reader to analyze and predict radar performance for various scenarios and applications. Also provided are MATLAB® scripts corresponding to the Python tools. The software includes a user-friendly graphical user interface (GUI) that provides visualizations of the concepts being covered. Users have full access to both the Python and MATLAB source code to modify for their application. With examples using the tool suite are given at the end of each chapter, this text gives readers a clear understanding of how important target scattering is in areas of target detection, target tracking, pulse integration, and target discrimination. **Monsters and Heroes of the Realms** Candlewick Press (MA) Go on a journey through the fabled Forgotten Realms and color in an array of monsters, rogues, heroes and villains! Bringing his unmatched knowledge of medieval history, myth, and magick to the legend of Merlin, Gordon Strong vividly reconstructs the famed wizard's life among kings and knights, damsels and dragons, and lost kingdoms. From serving as King Arthur's adviser to obtaining intimate knowledge of Atlantis to launching the quest for the Holy Grail, each aspect of Merlin is illuminated as never before. Piecing together fascinating connections to Druidry, Celtic and Welsh culture, and Tarot, Strong offers new depths of insight into an existence steeped in war, madness, love, lust, and above all, sorcery. Praise: "This is not a book about a dead king in a past and distant land, but an evocation of an impulse within all our psyches, which can vivify our future."—Alan Richardson, author of Aleister Crowley and Dion Fortune **Kant's Philosophy of the Unconscious** Walter de Gruyter The unconscious raises relevant problems in the theory of knowledge as regards non-conceptual contents and obscure representations. In the philosophy of mind, it bears on the topic of the unity of consciousness and the notion of the transcendental Self. It is a key-topic of logic with respect to the distinction between determinate-indeterminate judgments and prejudices, and in aesthetics it appears in connection with the problems of reflective judgments and of the genius. Finally, it is a relevant issue also in moral philosophy in defining the irrational aspects of the human being. The purpose of the present volume is to fill a substantial gap in Kant research while offering a comprehensive survey of the topic in different areas of research, such as history of philosophy, philosophy of mind, aesthetics, moral philosophy, and anthropology. **Evidence of Dragons** Macmillan A stunning collection of poems from a master wordsmith. EVIDENCE OF DRAGONS brings Pie Corbett's achingly beautiful poems together for the very first time. His poems are full of the wonder of the ordinary and introduce us to characters and topics as varied as THE LAST UNICORN, MY BROTHER'S PIG, THE DRAGON WHISTLER, STARS, SHADOW PUPPETS and THE CLOUD APPRECIATION SOCIETY. "The Dragon Whistler tucks stars into her pocket, reaches for a sunset; purses her moonlit lips and whistles..." **Spyology** Candlewick Press Covers all aspects of espionage, including such topics as secret operations, disguises, funding, surveillance, codes and ciphers, cameras, moles, double agents, interrogation, forgery, and black propaganda, presented in a training manual format. **Entwined with You** Alexia Praks Media Dark.
