HENRY MORE (1614-1687) TERCENTENARY STUDIES

WITH A BIOGRAPHY AND BIBLIOGRAPHY BY ROBERT CROCKER

Springer Science & Business Media Of all the Cambridge Platonists, Henry More has attracted the most scholar ly interest in recent years, as the nature and significance of his contribution to the history of thought has come to be better understood. This revival of interest is in marked contrast to the neglect of More's writings lamented even by his first biographer, Richard Ward, a regret echoed two centuries after his 1 death. Since then such attention as there has been to More has not always served him well. He has been dismissed as credulous on account of his belief in witchcraft while his reputation as the most mystical of the Cambridge 2 school has undermined his reputation as a philosopher. Much of the interest in More in the present century has tended to focus on one particular aspect of his writing. There has been considerable interest in his poems. And he has come to the attention of philosophers thanks to his having corresponded with Descartes. Latterly, however, interest in More has been rekindled by renewed interest in the intellectual history of the seventeenth century and Renaissance. And More has been studied in the context of seventeenth-cen tury science and the wider context of seventeenth-century philosophy. Since More is a figure who belongs to the Renaissance tradition of unified sapientia he is not easily compartmentalised in the categories of modern disciplines. Inevitably discussion of anyone aspect of his thought involves other aspects.

A CONCISE HISTORY OF ROCK MUSIC

Mel Bay Publications This book, intended for the general public, music students, and enthusiasts of all ages, explores the entire history of rock music, from its origins up to the twenty-first century. Paul Fowles, guitarist, teacher and writer, has created a fascinating guide to a musical phenomenon which has captured the imagination of young people throughout the world.

BATTLE CRY OF FREEDOM

THE CIVIL WAR ERA

Oxford University Press Filled with fresh interpretations and information, puncturing old myths and challenging new ones, **Battle Cry of Freedom** will unquestionably become the standard one-volume history of the Civil War. James McPherson's fast-paced narrative fully integrates the political, social, and military events that crowded the two decades from the outbreak of one war in Mexico to the ending of another at Appomattox. Packed with drama and analytical insight, the book vividly recounts the momentous episodes that preceded the Civil War--the Dred Scott decision, the Lincoln-Douglas debates, John Brown's raid on Harper's Ferry--and then moves into a masterful chronicle of the war itself--the battles, the strategic maneuvering on both sides, the politics, and the personalities. Particularly notable are McPherson's new views on such matters as the slavery expansion issue in the 1850s, the origins of the Republican Party, the causes of secession, internal dissent and anti-war opposition in the North and the South, and the reasons for the Union's victory. The book's title refers to the sentiments that informed both the Northern and Southern views of the conflict: the South seceded in the name of that freedom of self-determination and self-government for which their fathers had fought in 1776, while the North stood fast in defense of the Union founded by those fathers as the bulwark of American liberty. Eventually, the North had to grapple with the underlying cause of the war--slavery--and adopt a policy of emancipation as a second war aim. This "new birth of

freedom," as Lincoln called it, constitutes the proudest legacy of America's bloodiest conflict. This authoritative volume makes sense of that vast and confusing "second American Revolution" we call the Civil War, a war that transformed a nation and expanded our heritage of liberty.

THE CONSTRUCTION OF HOMOSEXUALITY

University of Chicago Press "At various times, homosexuality has been considered the noblest of loves, a horrible sin, a psychological condition or grounds for torture and execution. David F. Greenberg's careful, encyclopedic and important new book argues that homosexuality is only deviant because society has constructed, or defined, it as deviant. The book takes us over vast terrains of example and detail in the history of homosexuality."—Nicholas B. Dirks, *New York Times Book Review*

THE KINKS' THE KINKS ARE THE VILLAGE GREEN PRESERVATION SOCIETY

A&C Black Ignored by virtually everyone upon its release in November 1968, 'The Kinks Are The Village Green Preservation Society' is now seen as one of the best British albums ever recorded. Here, Andy Miller traces the perilous circumstances surrounding its creation, and celebrates the timeless, perfectly crafted songs pieced together by a band who were on the verge of disintegration and who refused to follow fashion. EXCERPT 'Big Sky' contains some of the most beautiful, thunderous music The Kinks ever recorded, aligned to a vulnerability and warmth no other group - and I mean no other group - could ever hope to equal. It is a perfectly balanced production. On the one hand, the mesh of clattering drums and electric guitar never threatens to overwhelm the melody; on the other, the gossamer-light harmonies, Ray and Dave's vocal line traced by Rasa Davies' wordless falsetto, are bursting with emotion. When most of the instruments drop away at 1.20, the effect is effortlessly vivid - two lines where Davies' performance is both nonchalant and impassioned. The result is wonderfully, enchantingly sad, made more so perhaps by the knowledge that The Kinks will never again sound so refined or so right.

THE ARCHAEOLOGY OF MOBILITY

OLD WORLD AND NEW WORLD NOMADISM

ISD LLC There have been edited books on the archaeology of nomadism in various regions, and there have been individual archaeological and anthropological monographs, but nothing with the kind of coverage provided in this volume. Its strength and importance lies in the fact that it brings together a worldwide collection of studies of the archaeology of mobility. This book provides a ready-made reference to this worldwide phenomenon and is unique in that it tries to redefine pastoralism within a larger context by the term mobility. It presents many new ideas and thoughtful approaches, especially in the Central Asian region.

SUFFOLK SURNAMES

THE CRICKET FIELD

OR, THE HISTORY AND SCIENCE OF THE GAME OF CRICKET

Good Press "The Cricket Field" by James Pycroft. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. GARY GYGAX'S WORLD BUILDER

GYGAXIAN FANTASY WORLDS

Troll Lord Games For the vigilant writer, driven publisher or game designer, Volume 3 of the Gygaxian Fantasy World series drives forward the gathering host of information brought to you by the Gygaxian Fantasy World series. From the encampments of common folk and wanderers to the teeming streets of walled towns, this work brings the fantastic world of magic to life. Game designers captain their own creations when they master knowledge of the high and low, the hamlets and towns, cities and castles and all that accompanies life

in a world of our own imagining. More than that, *Everyday Life* breathes strength into the arms of your imaginings with pirates and palace life, eating and entertainment, villains and vagabonds, communications and commerce. Whatever is found in the daily "life" of a typical fantasy world is covered herein. Sound the note of world creation with Gary Gygax's *Everyday Life*.

JOLLY FELLOWS

MALE MILIEUS IN NINETEENTH-CENTURY AMERICA

JHU Press "Stott finds that male behavior could be strikingly similar in diverse locales, from taverns and boardinghouses to college campuses and sporting events. He explores the permissive attitudes that thrived in such male domains as the streets of New York City, California during the gold rush, and the Pennsylvania oil fields, arguing that such places had an important influence on American society and culture. Stott recounts how the cattle and mining towns of the American West emerged as centers of resistance to Victorian propriety. It was here that unrestrained male behavior lasted the longest, before being replaced with a new convention that equated manliness with sobriety and self-control."

A WOMAN'S STORY OF PIONEER ILLINOIS

SIU Press Christiana and John Tillson moved from Massachusetts to central Illinois in 1822. Upon arriving in Montgomery County near what would soon be Hillsboro, they set up a general store and real estate business and began to raise a family. A half century later, in 1870, Christiana Tillson wrote about her early days in Illinois in a memoir published by R. R. Donnelley in 1919. The Tillsons lived quite ordinary lives in extraordinary times, notes Kay J. Carr, introducing this edition. They moved west and prospered in the land business at a time when America was being transformed from a rural, agricultural country into an urban, industrial nation. Their views and sensibilities, Carr says, might seem strange to us, but they were entirely normal to people in the early nineteenth century. Thus Tillson's memoir provides fascinating but believable snapshots of ordinary nineteenth-century American life.

MALTA SPITFIRE

THE DIARY OF AN ACE FIGHTER PILOT

Grub Street Publishers An aviator's true story of WWII air combat, including two dramatic weeks in the skies above the besieged island of Malta. Twenty-five thousand feet above Malta—that is where the Spitfires intercepted the Messerschmitts, Macchis, and Reggianes as they swept eastward in their droves, screening the big Junkers with their bomb loads as they pummeled the island beneath: the most bombed patch of ground in the world. One of those Spitfire pilots was George Beurling, nicknamed "Screwball," who in fourteen flying days destroyed twenty-seven German and Italian aircraft and damaged many more. Hailing from Canada, Beurling finally made it to Malta in the summer of 1942 after hard training and combat across the Channel. *Malta Spitfire* tells his story and that of the gallant Spitfire squadron, 249, which day after day ascended to the "top of the hill" to meet the enemy against overwhelming odds. With this memoir, readers experience the sensation of being in the cockpit with him, climbing to meet the planes driving in from Sicily, diving down through the fighter screen at the bombers, dodging the bullets coming out of the sun, or whipping up under the belly of an Me for a deflection shot at the engine. This is war without sentiment or romance, told in terms of human courage, skill, and heroism—a classic of WWII military aviation.

GUIDE TO LIFE AND LITERATURE OF THE SOUTHWEST

IndyPublish.com Yet the time is not likely to come when a human being will not be better adapted to his environments by knowing their nature?""

BOOKS OUT LOUD

EMPIRE AND SEXUALITY

THE BRITISH EXPERIENCE

Manchester University Press A study of British imperial history, intended for those who are interested in exploring the underlying realities of British expansion on the world stage. This

book deals specifically with sex and its effect on the Empire.

EPIC IN AMERICAN CULTURE

SETTLEMENT TO RECONSTRUCTION

JHU Press This book investigates the concept of what it means to be 'epic' and its form in American life, literature, and art from the country's early days.

UNDERSTANDING CIRCUMCISION

A MULTI-DISCIPLINARY APPROACH TO A MULTI-DIMENSIONAL PROBLEM

Springer Science & Business Media Every year, in the United States and the third world combined, 13.3 million boys and 2 million girls are circumcised. Whether because of perceived medical, cultural, or religious necessity, most of these parents feel they have no alternative but to allow their children to undergo this surgery. Sparking intense debate, the circumcision of children is a highly controversial and complex phenomenon that touches a variety of sociological areas, such as religious beliefs, identity issues, medical conceptualizations, fear, and superstition. The contributors to this volume comprise an international panel of experts in the fields of medicine, psychology, law, ethics, sociology, anthropology, history, theology, and politics. In 18 chapters they discuss the history of circumcision; document the physical and psychological consequences of circumcision; present the latest anatomical discoveries about the male prepuce; analyze the role of circumcision in various traditions; reveal the medical industry's investment in the practice; describe current legislative efforts to protect children from circumcision; and outline effective, culturally sensitive methods that are being implemented today to safeguard the human rights of at-risk children. For its insights into this troubling aspect of culture, *Understanding Circumcision: A Multi-Disciplinary Approach to a Multi-Dimensional Problem* is a critically important contribution to the growing body of literature on this subject.

THE ROADS THEY MADE

WOMEN IN ILLINOIS HISTORY

Kerr Publications

FOR THOSE WHO COME AFTER

A STUDY OF NATIVE AMERICAN AUTOBIOGRAPHY

Univ of California Press Drawing on the life stories of Native Americans solicited by historians during the 19th century and, later, by anthropologists concerned with amplifying the cultural record, Arnold Krupat examines the Indian autobiography as a specific genre of American writing.

THE IMMORAL LANDSCAPE

FEMALE PROSTITUTION IN WESTERN SOCIETIES

Butterworth-Heinemann

GARY GYGAX'S LIVING FANTASY

This second volume in the Gygaxian Fantasy Worlds series marshals a veritable host of information for the game designer. Unburdened with flavor text this tome is a collection of militantly organized definitions, lists, tables and charts with an army of information from the mundane to the extraordinary. The *World Builder* covers outdoor settings, indoor living settings, merchandise with a completely illustrated armor and weapons section and everyday facts from the government structure to the tensile strength of rope.

WACOUSTA OR THE PROPHECY

ReadHowYouWant.com

Springer Engaging some of the most canonical and thought-provoking anime, manga, and science fiction films, Tokyo Cyberpunk offers insightful analysis of Japanese visual culture. Steven T. Brown draws new conclusions about the cultural flow of art, as well as important technological issues of the day.

THE WILEY BLACKWELL COMPANION TO THE SOCIOLOGY OF FAMILIES

John Wiley & Sons Written by an international team of experts, this comprehensive volume investigates modern-day family relationships, partnering, and parenting set against a backdrop of rapid social, economic, cultural, and technological change. Covers a broad range of topics, including social inequality, parenting practices, children's work, changing patterns of citizenship, multi-cultural families, and changes in welfare state protection for families Includes many European, North American and Asian examples written by a team of experts from across five continents Features coverage of previously neglected groups, including immigrant and transnational families as well as families of gays and lesbians Demonstrates how studying social change in families is fundamental for understanding the transformations in individual and social life across the globe Extensively reworked from the original Companion published over a decade ago: three-quarters of the material is completely new, and the remainder has been comprehensively updated

THE LAST ENEMY

Michael O'Mara Books This is the true story of Second World War fighter pilot, Richard Hillary. After being shot down in September 1940, Hillary spent several months in hospital, undergoing numerous operations; a member of Archibald McIndoe's 'Guinea Pig Club'. Originally published in 1942, just months before he died in a second crash, The Last Enemy recounts the struggles and successes of a young man in the Royal Air Force. Told through Hillary's eyes, this incredible story shows that even in our darkest moments there is a glimmer of enduring hope.

THE GOOD OLD DAYS OF HONORABLE JOHN COMPANY

BEING CURIOUS REMINISCENCES ILLUSTRATING MANNERS AND CUSTOMS OF THE BRITISH IN INDIA DURING THE RULE OF EAST INDIA COMPANY FROM 1600 TO 1858

THE CANTING CREW

THE ESSENTIAL HANDBOOK FOR ALL IN THE FANTASY RPG UNDERCLASS!

Thieves, their guilds, organization, a complete dictionary of the language they speak, the signs they use, everything a player or DM may want or need to know about the underclasses, new weapons and more this book is a must have.

A COGNITIVE APPROACH TO JOHN DONNE'S SONGS AND SONNETS

Palgrave Macmillan Investigations into how the brain actually works have led to remarkable discoveries and these findings carry profound implications for interpreting literature. This study applies recent breakthroughs from neuroscience and evolutionary psychology in order to deepen our understanding of John Donne's Songs and Sonnets.

THE DROVE ROADS OF SCOTLAND

One of the great classics of Scottish history, *The Drove Roads of Scotland* interweaves folklore, social comment and economic history in a fascinating account of Scotland's droving trade and the routes by which cattle and sheep were brought from every corner of the land to markets in central Scotland. In pastoral Scotland, the breeding and movement of livestock were fundamental to the lives of the people. The story of the drove roads takes the reader on an engrossing tour of Scottish history, from the lawless cattle driving by reivers in the sixteenth and seventeenth centuries to the legitimate movement of stock which developed after the Union of the Crowns, by which time the large-scale movement of stock to established markets had become an important part of Scotland's economy, and a vital aspect of commercial life in the Empire.

OUR HEARTS FELL TO THE GROUND

PLAINS INDIAN VIEWS OF HOW THE WEST WAS LOST

This revised edition of Colin Calloway's *Our Hearts Fell to the Ground* continues to offer a look into the Native American views of the changing West in the nineteenth century through a selection of primary accounts, speeches, and writings. With a revised introduction and a number of new documents, this second edition now includes new coverage of the Northern Cheyennes' bid for freedom in 1878; a testimony by a Ponca chief who won a landmark court case; an Indian teacher's thoughts on Indian schools; and an old woman's memory of her experience as a teenage girl at the Wounded Knee massacre. The epilogue has been expanded and the bibliography updated to include many of the excellent and path-breaking works that have appeared in the twenty years since the first edition was published. Updated chronology and questions further serve to aid students as they make their way through this rich collection of documents.

ALCOHOL, SEX AND GENDER IN LATE MEDIEVAL AND EARLY MODERN EUROPE

Springer This book examines drinking and attitudes to alcohol consumption in late medieval and early modern England, France, and Italy, especially as they related to sexual and violent behavior and to gender relations. According to widespread beliefs, the consumption of alcohol led to increased sexual activity among both men and women, and it also led to disorderly conduct among women and violent conduct among men. Dr Lynn shows how alcohol was a fundamental part of the diets of most people, including women, resulting in daily drinking of large amounts of ale, beer, or wine. This study offers an intimate insight into both the altered states induced by alcohol, and, by opposition, into normal relations in family, community, and society.

THE ATLAS OF MEDIEVAL MAN

Saint Martin's Griffin Covering the years between AD 1,000 to 1,500, an illustrated volume includes information on the Norman Conquest, the Crusades, the Black Death, the Hundred Years' War, and the spread of Islam. By the author of *Medieval England*. Reprint.

THE ROMANCE OF NAMES (ESPRIOS CLASSICS)

Ernest Weekley (27 April 1865 - 7 May 1954) was a British philologist, best known as the author of a number of works on etymology. His *An Etymological Dictionary of Modern English* (1921; 850 pages) has been cited as a source by most authors of similar books over the 90 years since it was published. From 1898 to 1938, he was Professor of Modern Languages at the University of Nottingham. He married Frieda von Richthofen in 1899. Together they had three children: Charles Montague (born 1900), Elsa Agnès (born 1902) and Barbara Joy (born 1904). Weekley divorced Frieda in 1913 following her elopement with D. H. Lawrence.
