The Lure of the East

British Orientalist Painting

"With its unprecedented focus on the history of Orientalism in British art, this fascinating book examines the work of British artists who engaged with Middle Eastern themes over three centuries, from the 1620s to the eclipse of the Ottoman Empire in 1922." "Paintings by British artists who travelled to the Islamic world during this period portray a wide range of subject matter, from landscapes and interiors to portraits, documentary, and genre scenes. The Lure of the East includes essays that discuss the beauty of these images, as well as investigate the ways in which ideas about this beauty formed part of the larger history of Western political and colonial involvement with the region." "Placing the British within the genre of Orientalism, this catalogue features both well-known and rarely seen paintings, as well as sketches and photographs by leading British artists from the eighteenth to the early twentieth centuries, including works by Roger Fenton, William Holman Hunt, John Frederick Lewis, Joshua Reynolds, John Singer Sargent, and Stanley Spencer. The Lure of the East considers the shared legacy of British and Islamic artistic traditions, as well as Western myths about the Islamic world in relation to artists' direct experiences."--BOOK JACKET.

Scheherazade Goes West

Different Cultures, Different harems

Simon and Schuster Throughout my childhood, my grandmother Yasmina, who was illiterate and grew up in a harem, repeated that to travel is the best way to learn and to empower yourself. "When a woman decides to use her wings, she takes big risks," she would tell me, but she was convinced that if you didn't use them, it hurt.... So recalls Fatema Mernissi at the outset of her mesmerizing new book. Of all the lessons she learned from her grandmother -- whose home was, after all, a type of prison -- the most central was that the opportunity to cross boundaries was a sacred privilege. Indeed, in journeys both physical and mental, Mernissi has spent virtually all of her life traveling -- determined to "use her wings" and to renounce her gender's alleged legacy of powerlessness. Bursting with the vitality of Mernissi's personality and of her rich heritage, *Scheherazade Goes West* reveals the author's unique experiences as a liberated, independent Moroccan woman faced with the peculiarities and unexpected encroachments of Western culture. Her often surprising discoveries about the conditions of and attitudes toward women around the world -- and the exquisitely embroidered amalgam of clear-eyed autobiography and dazzling meta-fiction by which she relates those assorted discoveries -- add up to a deliciously wry, engagingly cosmopolitan, and deeply penetrating narrative. In her previous bestselling works, Mernissi -- widely recognized as the world's greatest living Koranic scholar and Islamic sociologist -- has shed unprecedented light on the lives of women in the Middle East. Now, as a writer and scholarly veteran of the high-wire act of straddling disparate societies, she trains her eyes on the female culture of the West. For her book's inspired central metaphor, Mernissi turns to the ancient Islamic tradition of oral storytelling, illuminating her grandmother's feminized, subversive, and highly erotic take on Scheherazade's wife-preserving tales from *The Arabian Nights* -- and then ingeniously applying them to her own lyrically embellished personal narrative. Interwoven with vivid ruminations on her childhood, her education, and her various international travels are the author's piquant musings on a range of deeply embedded societal conditions that add up, Mernissi argues, to a veritable "Western harem." A provocative and lively challenge to the common assumption that women have it so much better in the West than anywhere else in the world, Mernissi's book is an entrancing and timely look at the way we live here and now. By inspiring us to reconsider even the most commonplace aspects of our culture with fresh eyes and a healthy dose of suspicion, *Scheherazade Goes West* offers an invigorating, candid, and entertaining new perspective on the themes and ideas to which Betty Friedan first turned us on nearly forty years ago.

Beyond the Veil

Male-Female Dynami in Muslim Society

Saqi Does Islam as a religion oppress women? Is Islam against democracy? In this classic study, internationally renowned sociologist Fatema Mernissi argues that women's oppression is not due to Islam as this religion in fact celebrates women's power. Women's oppression, she maintains, is due to the political manipulation of religion by powerseeking, archaic Muslim male elites. Mernissi explains in her book that early Muslim scholars portrayed women as aggressive hunters who forced men, reduced to weak hunted victims, to control women by imposing requirements such as veiling, which confined women to the private space. In her new introduction, she argues that women's invasion of the 500-plus Arab satellite channels in the twenty-first century, as show anchors and film and video stars, supports her theory that Islam as a religion celebrates female power. 'A fascinating book' *Scotland on Sunday* 'If a reader were to select only one book in order to gain insight into women's status and prospects in Islamic society, this study should be the one chosen for its clarity, honesty, depth of knowledge and thought-provoking qualities.' *Arab Book World*

The Professional Diver's Handbook

De Profundis and Other Prison Writings

Penguin UK De Profundis and Other Prison Writings is a new selection of Oscar Wilde's prison letters and poetry in Penguin Classics, edited and introduced by Colm Tóibín. At the start of 1895, Oscar Wilde was the toast of London, widely feted for his most recent stage success, *An Ideal Husband*. But by May of the same year, Wilde was in Reading prison sentenced to hard labour. 'De Profundis' is an epistolic account of Oscar Wilde's spiritual journey while in prison, and describes his new, shocking conviction that 'the supreme vice is shallowness'. This edition also includes further letters to his wife, his friends, the Home Secretary, newspaper editors and his lover Lord Alfred Douglas - Bosie - himself, as well as 'The Ballad of Reading Gaol', the heart-rending poem about a man sentenced to hang for the murder of the woman he loved. This Penguin edition is based on the definitive Complete Letters, edited by Wilde's grandson Merlin Holland. Colm Tóibín's introduction explores Wilde's duality in love, politics and literature. This edition also includes notes on the text and suggested further reading. Oscar Wilde was born in Dublin. His three volumes of short fiction, *The Happy Prince*, *Lord Arthur Savile's Crime* and *A House of Pomegranates*, together with his only novel, *The Picture of Dorian Gray*, won him a reputation as a writer with an original talent, a reputation enhanced by the phenomenal success of his society comedies - *Lady Windermere's Fan*, *A Woman of No Importance*, *An Ideal Husband* and *The Importance of Being Earnest*. Colm Tóibín is the author of five novels, including *The Blackwater Lightship* and *The Master*, and a collection of stories, *Mothers and Sons*. His essay collection *Love in a Dark Time: Gay Lives from Wilde to Almodovar* appeared in 2002. He is the editor of *The Penguin Book of Irish Fiction*.

Postwar Italian Art History Today

Untying 'the Knot'

Bloomsbury Publishing USA Postwar Italian Art History Today brings fresh critical consideration to the parameters and impact of Italian art and visual culture studies of the past several decades. Taking its cue from the thirty-year anniversary of curator Germano Celant's landmark exhibition at PS1 in New York - The Knot - this volume presents innovative case studies and emphasizes new methodologies deployed in the study of postwar Italian art as a means to evaluate the current state of the field. Included are fifteen essays that each examine, from a different viewpoint, the issues, concerns, and questions driving postwar Italian art history. The editors and contributors call for a systematic reconsideration of the artistic origins of postwar Italian art, the terminology that is used to describe the work produced, and key personalities and institutions that promoted and supported the development and marketing of this art in Italy and abroad.

Il Mietitore

La Malavita Di Boston

American Voyage

Reel art Press In 1966, Mario Carnicelli won first place in an Italian national photography competition sponsored by Popular Photography magazine and Mamiya and Pentax. The prize was a scholarship to photograph America. Carnicelli was fascinated by the almost reckless freedom offered by America, with its mix of cultures and traditions, its fashion and individuality; while at the same time he was aware of a pervading loneliness and rootlessness in people separated from family and clan. This beautiful book features over 150 colour and black and white images of America in the 1960s.
