This book is a great addition to his first book, "Acing the Sales Interview" and can help both those out of work or those seeking to break into the industry. For one year Gregory researched what 50 President's Club winning managers from the industry told him were their hot buttons. He interviewed and surveyed top managers to figure out the top 10 STAR questions asked and then why these were the most important? Gregory then went even deeper in his research discovering thirty more questions that every sales representative and manager should anticipate during a healthcare sales interview. He also included real-life do's and don't during interviews. He concludes with adding a section on discussing salary and explaining gaps in employment. Gregory is a pioneer in pharmaceutical and medical device industry interviewing and networking. In his spare time Gregory also coaches candidates one on one to help them improve their interviewing skills. Gregory has become a top LinkedIn contributor and still works in the pharmaceutical industry for a top 10 company.
