Write Right!

Creative Writing Using Storytelling Techniques

Libraries Unlimited Haven's breakthrough approach to creative writing begins with an improbable technique that does not involve writing. Coaching students to "start with storytelling," the author and storyteller shares a vital but often forgotten step of the creative process. His practical and detailed guide provides directions for 38 writing exercises that help students create powerful and dynamic fiction. All the steps - from finding inspiration and creating believable characters to making the final edit - are covered. Activities, coded for grades from primary through high school, can easily be adapted to other levels.

Charisma Media MAKE TOUGH CHOICES WITH FAITH AND CONFIDENCE. We all have to make decisions, big and small, every day. Sometimes those decisions are life changing, and we can become paralyzed in the process. We wonder: "WHAT DOES GOD WANT ME TO DO? HOW CAN I KNOW HIS WILL? WHAT IF I MAKE THE WRONG CHOICE?" How to Make the Right Decision Every Time reveals biblical and practical keys to help you find direction, uncover your purpose, discover God's will, and get it right every time. With biblical wisdom and successful examples of everyday people, this book will empower you to: LEARN HOW GOD DESIRES TO GUIDE YOU EVERY DAY THROUGH HIS WORD DISCOVER PRACTICAL WAYS TO APPLY GOD'S PRINCIPLES FOR MAKING DECISIONS REMOVE THE PRESSURE AND FEAR OF MAKING WRONG CHOICES You can turn apprehension to action, master the art of decision making, and approach life confidently every day.

Let Me Make It Right

Strategic Book Publishing & Rights Agency How do you ask for a second chance from the person whose world you shattered? How do you make things right? **Let Me Make It Right** is an intense novel - about love, loss, and second chances - with a little forgiveness on the side. Nathan would rather rip out his heart than hurt the woman who ignites a fire in him with every look, every touch. But that's exactly what happened when an unlucky encounter burdens him with a wife and an unplanned family, turning his dream into a nightmare named Tina. Teale fell in love with Nathan the moment they kissed. Their lives, their plans, and their heartbeats were in sync. But a phone call revealed how wrong she was, forcing her to make choices for herself and the child she carried. Tina loved only one man, and it wasn't Nathan. When she discovers Teale is back in Nathan's life, she vows to make them pay. An unplanned trip throws Nathan and Teale back together. Is there still enough love left between them? Choices will be made. Lines will be drawn. Together, they will face challenges that no one saw coming. Sometimes fate does decide when the time is right.

Can Two Rights Make a Wrong?

Insights from IBM's Tangible Culture Approach

Prentice Hall Professional Nowadays, nearly every business leader recognizes the crucial importance of culture. But, in many organizations, attempts to handle culture issues remain "squishy," unfocused, and unlikely to bring any value or results. Now, IBM's leading experts reveal the way to make culture tangible to everyone involved—and how to effectively deal with a variety of culture challenges. **Can Two Rights Make a Wrong?** leverages the lessons learned during IBM's \$3.5 billion acquisition of PricewaterhouseCoopers Consulting: insight that IBM has crystallized into a powerful methodology for transforming business culture. The authors introduce "Business Practices," an actionable surrogate for "culture" that business people can identify with, gauge, and act upon. Then, one step at a time, you'll learn how to apply IBM's practical culture transformation techniques in your unique environment. You'll discover common patterns that lead to culture clashes so you can resolve or, better yet, prevent them. You'll learn to clarify your expectations so people really "get" it—and do it. You'll gain the way to measure culture change progress in terms

everyone can understand and buy into. Whether you're involved with M&As, joint ventures, major transformation, internal restructuring, or any other initiative where culture is important, this book can help you take culture from a worrisome risk to a competitive advantage. **Business Practices: the unseen hand that propels action** Uncover what makes your organization unique **Right vs. Right: What to do when good options conflict** Understand and manage the source of culture clash **Outcome Narratives: Get to the right place, the right way** Clarify your desired future, clear the obstacles, measure progress, and deliver results

Enough Grace to Make Things Right

Word Alive Press Joe came out of prison a changed man. There would be no more drugs and no more crime. He had lived precariously all his adult life, but he hoped to leave all that behind. He was starting over. Joe found his way to his grandfather's house in a small town. He faced his challenges head on, but there was one memory he couldn't shake. Coming out of prison, Joe discovered that he had a two-year-old son. Little Stevie was thriving with parents who loved him, and Joe wouldn't interfere. Long ago, he'd decided to never have kids. No sweet little kid deserved a dad like him. Joe went to church and joined a men's Bible study. Many of the people he met there reminded him about-but more importantly, showed him-God's love and grace. Compelled by this truth, Joe gave his life to Christ, and God began to use him. But then tragedy struck. After picking up the newspaper at the coffee shop, Joe shouted out in anguish at what he had read. His mind was numb. His heart was broken. What could he do? Joe didn't understand, but soon he would stand amazed as he watched God's plan unfold.

How to make money right away as a Beginner Futures Trader

10 easy & fast ways to make money Trading Futures

The probability that you as a beginner futures trader will ever beat Wall Street is low. You can however learn to see what the smart money is doing and profit with them if you know what to look for and where to look for it on a price chart. This book can help you to understand what you need to see in order to consistently make money with the smart money. If you're brand new to investing and futures trading you can learn to go from financial mediocrity to financial prosperity in the time it takes you to read this entire book. This book details what it will take to become a consistently profitable investor and trader in today's financial markets working against the best investors and traders in the world. There is no faking it in the live financial markets for beginners, either you get it or you don't. The live markets will expose every flaw you have as a human being and then some. Smart money knows you are flawed and make the same mistakes over and over again and they prey on the retail investor and futures trader until they either do get it or are cleaned out of their account and sent on their way. Success in investing and futures trading is only success if it translates to spendable dollars. The lure of easy money has a very strong appeal and attracts innocent new people all the time, very few of them end up successful, while the rest become the Sheeple of the herd and Muppets for Wall Street pros. The learning of this business is time consuming and most of what is taught to brand new investors and traders is not realistic to do in the live markets with the best futures traders on the planet. This book has some powerful information in it to guide the beginner investor and futures trader to the easiest way to reduce the long learning curve there can be in the business of making money with money. No other business in the world other than financial market trading allows you to work at your own pace and make an unlimited amount of money. A brand new futures trader with no experience can read this book and depending on how fast they can grasp the concepts and learn them can be making an income for themselves in as little as 30 days to 6 months.

Make the Right Decisions Early

Wisdom for Pre-College Students and Other Teens

iUniverse Your path to success starts before you set foot on a college campus. **Make the Right Decisions Early** shows you, the high school student, how to ensure a rewarding professional future for yourself after graduating from college which involves making the right decisions before you even get there. It answers such questions as: Which majors will empower me to be gainfully employed after graduation, instead of begging for a job? What is important when choosing a college? Which careers will enable me to have financial comfort, in a world which is becoming more expensive and unstable? Tom McKinley has spent two decades examining the college education system, watching the job market, and analyzing the relationship between them. Here, in his concise and direct manner, he explains how college is a tool for your future, not an end in itself, and how to use this tool to make sure you hit the ground running after college graduation. He also discusses how to keep yourself strong and healthy, both mentally and physically, and gives you practical advice on gap years, relationships, and self-discipline.

Writing & Speaking at Work

A Practical Guide for Business Communication

This book emphasizes the practical aspects of writing and speaking for the world of work. It avoids unnecessary theoretical matters, giving useful, concrete advice that both undergraduate and graduate students can apply immediately.

Generalist Practice with Organizations and Communities

Brooks Cole This readable and practical text applies the generalist practice model to social work with larger systems including organizations, neighborhoods, and communities, and emphasizes how macro, micro, and mezzo skills are inter-linked and how they are used every day practice. The authors clearly define the step-by-step processes for contemplating and initializing macro change in organizations and communities, while integrating issues such as values and ethics, populations-at-risk, social and economic justice, and diverse perspectives. The examples, practical applications, highlights, pictures, and diagrams make the material engaging and relevant. Significant issues pertinent to macro practice, including working with the media and courts, fundraising, grant writing, and resolving ethical dilemmas, are also addressed.
