PORTALS

[Booktango](#) Jesse Whitestone, a heartbroken widower is offered a supernatural chance at changing the past and saving his late wife while, at the same time, meeting and being attracted to Savannah—a sweet, smart, green-eyed blonde who loves veggie pizza. The novel explores a question pondered by many: If I could change the past, would I? For Jesse, the question isn't rhetorical. His wife, Ellen, drowned in Stillman's Lake while the couple were celebrating their sixth anniversary. The trauma leads to soul-searching; a struggle to make sense of what strikes Jesse as senseless. Now, three years later, Jesse is given a chance to go back and change the events of that fateful day when he finds himself lured into the portals room, the fantastic, other-worldly domain of Tsor whose identity is, for a time, a mystery. It is in the portals room that Tsor offers Jesse an opportunity to change the past, to undo the worst day of his life by rescuing Ellen.

RUSTIC MODERN

[Gibbs Smith](#) This lushly photographed home design book offers an intimate tour through rustic modern residences across California and the Mountain West. Following their acclaimed volume American Rustic, design writer Chase Reynolds Ewald and photographer Audrey Hall have teamed up once again to explore fifteen Western homes with a fresh take on rustic style. Here you'll find contemporary approaches to traditional log cabins, sustainable projects, artist studios, and places for play. The inspired interior decor and exteriors are all beautifully photographed and discussed in elegant prose. Rustic Modern also offers detailed perspectives from the homeowners, architects, and designers who brought these diverse spaces to life. Individual home's stories are complemented by full-page photography. The rustic textiles, warm living spaces, uniquely crafted chandeliers suspend from vaulted ceilings, and sweeping vistas out every window are sure to inspire.

DECORATING COUNTRY STYLE

A COMPLETE GUIDE TO PAINT EFFECTS AND STENCILLING

[Northlight](#) This book will provide you with a comprehensive guide to developing games for both the Windows Mobile platform and the Windows Phone using the industry standard programming languages C# and VB.NET. You will be walked through every aspect of developing for the Windows Mobile platform—from setting up your development environment for the first time to creating advanced 3D graphics. Finally, you'll learn how you can make your applications available to others, whether distributing for free or selling online. Using extensive code samples throughout, you'll gather all the information needed to create your own games and distribute them successfully for others to enjoy. Aimed primarily at C# developers, almost everything in the book can be used in VB.NET too. For those areas where this is not the case, workarounds are suggested so that VB.NET developers are still able to use the techniques described. What you'll learn How to obtain and configure a development environment for Windows Mobile How to build a working extensible game engine to reduce development time and increase reusability and distribution Tips and techniques for getting games working on a wide range of devices, including older devices, smartphones (with no touchscreens), as well as the latest hardware—all in a single code base A full overview of using OpenGL ES, opening up a new world of advanced 2D and 3D graphics and effects Everything you need to know to include high quality sound and music in your games Advice and information on the best ways to allow the user to interact with your game Guidance on distributing your finished games, including information about freeware listings and tips on creating and selling shareware games Who this book is for The book is aimed at those with an existing background in programming and knowledge of one of the two main .NET programming languages (C# and VB.NET), but who do not necessarily have any knowledge of programming for Windows Mobile or programming games in general. The book will guide the reader

through the steps required to become proficient in both of these areas of development.

DEADLY SURRENDER

Katie Reus Getting too close could end their friendship... Good old-fashioned heartbreak sent Grace running to Las Vegas for a new start. There, she has the support of a college buddy and her social group, which includes Logan...funny, sexy, protective Logan MacNeil. They've become close friends, but that's all Grace is willing to offer. Logan's a known player, and Grace has been hurt enough for one lifetime, thanks. Getting left at the altar will do that to a woman. Being apart could end their lives... Logan's reputation is more than a little exaggerated, and he's never cared. Until Grace. She's worth risking his heart again, if he can convince the brave, independent woman he's not the playboy he seems. Right now she needs a friend...and a protector. Someone has already targeted them both—twice. Logan suspects he gained an enemy for his part in his boss's recent failed business deal. But until he's sure, he's keeping Grace close. Achingly, torturously close... And when things turn deadly, he'll lay everything on the line to make her his. Author note: This book is part of the Sin City Series but can be read as a stand-alone.
