## All Men of Genius

**Macmillan Inspired by two of the most beloved works by literary masters, All Men of Genius takes place in an alternate Steampunk Victorian London, where science makes the impossible possible. Violet Adams wants to attend Illyria College, a widely renowned school for the most brilliant up-and-coming scientific minds, founded by the late Duke Illyria, the greatest scientist of the Victorian Age. The school is run by his son, Ernest, who has held to his father's policy that the small, exclusive college remain male-only. Violet sees her opportunity when her father departs for America. She disguises herself as her twin brother, Ashton, and gains entry. But keeping the secret of her sex won't be easy, not with her friend Jack's constant habit of pulling pranks, and especially not when the duke's young ward, Cecily, starts to develop feelings for Violet's alter ego, "Ashton." Not to mention blackmail, mysterious killer automata, and the way Violet's pulse quickens whenever the young duke, Ernest (who has a secret past of his own), speaks to her. She soon realizes that it's not just keeping her secret until the end of the year faire she has to worry about: it's surviving that long. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.**

## Camp

**Penguin UK 'The gay summer camp romp of my dreams' - Cale Dietrich, author of The Love Interest Sixteen-year-old Randy Kapplehoff loves spending the summer at Camp Outland, a camp for queer teens. It's where he met his best friends. It's where he takes to the stage in the big musical. And it's where he fell for Hudson Aaronson-Lim - who's only into straight-acting guys and barely knows not-at-all-straight-acting Randy even exists. This year, though, it's going to be different. Randy has reinvented himself as 'Del' - buff, masculine and on the market. Even if it means giving up show tunes, nail polish and his unicorn bedsheets, he's determined to get Hudson to fall for him. But as he and Hudson grow closer, Randy has to ask himself how much is he willing to change for love. And is it really love anyway, if Hudson doesn't know who he truly is? 'A bang up-to-date Judy Blume teenage rom-com for the inclusive, switched-on generation' - Justin Myer, aka The Guyliner 'Super sweet' - Gscene Magazine Praise for Jack of Hearts (And Other Parts) 'Jack of Hearts might be the most important queer novel of the decade' Gay Times 'Jack of Hearts won my heart' Courtney Act 'This book is filth' Julian Clary 'The affirming, sex-positive, brilliant new book that puts the "adult" into young adult literature' Attitude 'Humane, sex-positive writing of the funniest, filthiest and most heartening kind' The Guardian**

# The Memory Wall

**Knopf Books for Young Readers** An engrossing middle-grade novel set in a high-fantasy video game world that's part Kathryn Erskine's *Mockingbird*, part Patrick Ness's *A Monster Calls*. Wellhall is an immersive online fantasy world full of giants, sorcerers, and elves—and it's junior-high-schooler Nick's only escape from real life. Nick and his mom used to play the online video game together before her early-onset Alzheimer's forced her to enter an assisted-living facility. At first, Nick seeks distraction in the game, but he soon becomes convinced that his mom is playing the game as a character named Reunne, and dropping him hints about her diagnosis and how he can help her return home. Even as Nick becomes more and more certain that Reunne is actually his mother, Nick's father and his new friend encourage Nick to confront the possibility that the game is just a game, and that he needs to be prepared to say goodbye to his mother as he knows her. . . . "Readers—gamers and nongamers alike—will cheer the resolution of Nick's transformative journey. Thoughtful, earnest, and gratifying." —Kirkus Reviews "A lovely, heartwarming story of a young man negotiating personal crises with the help of games, friends, and family, perfect for readers who appreciate a blend of fantasy and realism." —The Bulletin "A complex, emotional story about grief and acceptance. . . . A strong, thought-provoking novel." —Publishers Weekly

# Steaming Into a Victorian Future

## A Steampunk Anthology

**Scarecrow Press** Presents a collection of essays looking at the social and cultural aspects of steampunk and its relationship to popular culture.

# The Rise and Fall of American Science Fiction, from the 1920s to the 1960s

**McFarland** By examining important aspects of science fiction in the twentieth century, this book explains how the genre evolved to its current state. Close critical attention is given to topics including the art that has accompanied science fiction, the subgenres of space opera and hard science fiction, the rise of SF anthologies, and the burgeoning impact of the marketplace on authors. Included are in-depth studies of key texts that contributed to science fiction's growth, including Philip Francis Nowlan's first Buck Rogers story, the first published stories of A. E. van Vogt, and

the early juveniles of Isaac Asimov, Arthur C. Clarke and Robert Heinlein.

## Woundabout

**Little, Brown Books for Young Readers** Welcome to Woundabout, where routine rules and change is feared. But transformation is in the wind.... In the wake of tragedy, siblings Connor and Cordelia and their pet capybara are sent to the precariously perched town of Woundabout to live with their eccentric aunt. Woundabout is a place where the mayor has declared that routine rules above all, and no one is allowed to ask questions--because they should already know the answers. But Connor and Cordelia can't help their curiosity when they discover a mysterious crank that fits into certain parts of the town, and by winding the crank, places are transformed into something beautiful. When the townspeople see this transformation, they don't see beauty--they only see change. And change, the mayor says, is something to fear. With the mayor hot on their trail, can Connor and Cordelia find a way to wind Woundabout back to life?

## Goldenland Past Dark

## Ada's Legacy

# Cultures of Computing from the Victorian to the Digital Age

**Morgan & Claypool** *Ada's Legacy* illustrates the depth and diversity of writers, thinkers, and makers who have been inspired by Ada Lovelace, the English mathematician and writer. The volume, which commemorates the bicentennial of Ada's birth in December 1815, celebrates Lovelace's many achievements as well as the impact of her life and work, which reverberated widely since the late nineteenth century. In the 21st century we have seen a resurgence in Lovelace scholarship, thanks to the growth of interdisciplinary thinking and the expanding influence of women in science, technology, engineering and mathematics. *Ada's Legacy* is a unique contribution to this scholarship, thanks to its combination of papers on Ada's collaboration with Charles Babbage, Ada's position in the Victorian and Steampunk literary genres, Ada's representation in and inspiration of contemporary art and comics, and Ada's continued relevance in discussions around gender and technology in the digital age. With the 200th anniversary of Ada Lovelace's birth on December 10, 2015, we believe that the timing is perfect to publish this collection of papers. Because of its broad focus on subjects that reach far beyond the life and work of Ada herself, *Ada's Legacy* will appeal to readers who are curious about Ada's enduring importance in computing and the wider world.

## Lavender House

### A Novel

**Forge Books** A delicious story from a new voice in suspense, Lev AC Rosen's *Lavender House* is *Knives Out* with a queer historical twist. *Lavender House, 1952*: the family seat of recently deceased matriarch Irene Lamontaine, head of the famous Lamontaine soap empire. Irene's recipes for her signature scents are a well guarded secret—but it's not the only one behind these gates. This estate offers a unique freedom, where none of the residents or staff hide who they are. But to keep their secret, they've needed to keep others out. And now they're worried they're keeping a murderer in. Irene's widow hires Evander Mills to uncover the truth behind her mysterious death. Andy, recently fired from the San Francisco police after being caught in a raid on a gay bar, is happy to accept—his calendar is wide open. And his secret is the kind of secret the

Lamontaines understand. Andy had never imagined a world like Lavender House. He's seduced by the safety and freedom found behind its gates, where a queer family lives honestly and openly. But that honesty doesn't extend to everything, and he quickly finds himself a pawn in a family game of old money, subterfuge, and jealousy—and Irene's death is only the beginning. When your existence is a crime, everything you do is criminal, and the gates of Lavender House can't lock out the real world forever. Running a soap empire can be a dirty business. **BOD GmbH DE "Quando Violet vê o seu sonho de fazer parte da Universidade de Illyria ir por água abaixo só porque é uma menina, decide quebrar as regras. Assim, deixando de lado o comportamento esperado de uma jovem do século 18, assume a identidade de seu irmão gêmeo, Ashton, e se inscreve na escola que só aceita alunos geniais. Ela só não imaginava que manter o seu segredo fosse o menor dos problemas. Prepare-se para viajar pela Inglaterra vitoriana em um steampunk brilhante e divertido, cheio de segredos, onde ser diferente é o que importa. Uma história que vai fazer você rever suas opiniões sobre muitas coisas."A bem-humorada estreia de Rosen dá um toque de Steampunk no modo de vida rígido do período vitoriano, ao mesmo tempo em que, sorrateiramente, critica os preconceitos de gênero de todos os gêneros... Robôs desativados, mecanismos misteriosos, criaturas estranhas, chantagem e uma série de personagens vívidos se somam a uma grande dose de divertimento." - Publishers Weekly.**

### What the Lady Wants

### A Novel of Marshall Field and the Gilded Age

**Penguin In late-nineteenth-century Chicago, visionary retail tycoon Marshall Field made his fortune wooing women customers with his famous motto: "Give the lady what she wants." His legendary charm also won the heart of socialite Delia Spencer and led to an infamous love affair. The**

night of the Great Fire, as seventeen-year-old Delia watches the flames rise and consume what was the pioneer town of Chicago, she can't imagine how much her life, her city, and her whole world are about to change. Nor can she guess that the agent of that change will not simply be the fire, but more so the man she meets that night... Leading the way in rebuilding after the fire, Marshall Field reopens his well-known dry goods store and transforms it into something the world has never seen before: a glamorous palace of a department store. He and his powerhouse coterie—including Potter Palmer and George Pullman—usher in the age of robber barons, the American royalty of their generation. But behind the opulence, their private lives are riddled with scandal and heartbreak. Delia and Marshall first turn to each other out of loneliness, but as their love deepens, they will stand together despite disgrace and ostracism, through an age of devastation and opportunity, when an adolescent Chicago is transformed into the gleaming White City of the Chicago's World's Fair of 1893.

## The Dark Unwinding

Scholastic Inc. From the award-winning author of *Rook* comes a delicious and twisty tale, filled with spine-tingling intrigue, juicy romance, and dangerous family secrets. When a rumor that her uncle is squandering away the family fortune surfaces, Katharine Tulman is sent to his estate to have him committed to an asylum. But instead of a lunatic, Katharine discovers a genius inventor with his own set of childlike rules, who is employing a village of nine hundred people rescued from the workhouses of London. Katharine becomes torn between protecting her own livelihood and preserving the peculiar community she grows to care for deeply -- a conflict made more complicated by her developing feelings for her uncle's handsome apprentice. As the mysteries of the estate begin to unravel, it is clear that not only is her uncle's world at stake, but also the state of England as Katharine knows it. With twists and turns at every corner, this extraordinary adventure will captivate readers with its thrills and romance.

## Idea Man

## A Memoir by the Co-founder of

## Microsoft

**Penguin UK** By his early thirties, Paul Allen was a world-famous billionaire-and that was just the beginning. In 2007 and 2008, Time named Paul Allen, the cofounder of Microsoft, one of the hundred most influential people in the world. Since he made his fortune, his impact has been felt in science, technology, business, medicine, sports, music, and philanthropy. His passion, curiosity, and intellectual rigor-combined with the resources to launch and support new initiatives-have literally changed the world. In 2009 Allen discovered that he had lymphoma, lending urgency to his desire to share his story for the first time. In this long-awaited memoir, Allen explains how he has solved problems, what he's learned from his many endeavors-both the triumphs and the failures-and his compelling vision for the future. He reflects candidly on an extraordinary life. The book also features previously untold stories about everything from the true origins of Microsoft to Allen's role in the dawn of private space travel (with SpaceShipOne) and in discoveries at the frontiers of brain science. With honesty, humor, and insight, Allen tells the story of a life of ideas made real.

## Jack of Hearts (And Other Parts)

**Penguin UK** Couldn't get enough of Love, Simon or The Gentleman's Guide to Vice and Virtue? This is the (slightly NSFW) book for you! ----- 'My first time getting it in the butt was kind of weird. I think it's going to be weird for everyone's first time, though.' Meet Jack Rothman. He's seventeen and loves partying, makeup and boys - sometimes all at the same time. His sex life makes him the hot topic for the high school gossip machine. But who cares? Like Jack always says, 'it could be worse'. He doesn't actually expect that to come true. But after Jack starts writing an online sex advice column, the mysterious love letters he's been getting

take a turn for the creepy. Jack's secret admirer knows everything: where he's hanging out, who he's sleeping with, who his mum is dating. They claim they love Jack, but not his unashamedly queer lifestyle. They need him to curb his sexuality, or they'll force him. As the pressure mounts, Jack must unmask his stalker before their obsession becomes genuinely dangerous...

## Drawing Futures

# Speculations in Contemporary Drawing for Art and Architecture

UCL Press Drawing Futures brings together international designers and artists for speculations in contemporary drawing for art and architecture. Despite numerous developments in technological manufacture and computational design that provide new grounds for designers, the act of drawing still plays a central role as a vehicle for speculation. There is a rich and long history of drawing tied to innovations in technology as well as to revolutions in our philosophical understanding of the world. In reflection of a society now underpinned by computational networks and interfaces allowing hitherto unprecedented views of the world, the changing status of the drawing and its representation as a political act demands a platform for reflection and innovation. Drawing Futures will present a compendium of projects, writings and interviews that critically reassess the act of drawing and where its future may lie. Drawing Futures focuses on the discussion of how the field of drawing may expand synchronously alongside technological and computational developments. The book coincides with an international conference of the same name, taking place at The Bartlett School of Architecture, UCL, in November 2016. Bringing together practitioners from many creative fields, the book discusses how drawing is changing in relation to new technologies for the production and dissemination of ideas.

## The 19th Wife

## A Novel

Random House Faith, I tell them, is a mystery, elusive to many, and never easy to explain. Sweeping and lyrical, spellbinding and unforgettable, David Ebershoff's *The 19th Wife* combines epic historical fiction with a modern murder mystery to create a brilliant novel of literary suspense. It is 1875, and Ann Eliza Young has recently separated from her powerful husband, Brigham Young, prophet and leader of the Mormon Church. Expelled and an outcast, Ann Eliza embarks on a crusade to end polygamy in the United States. A rich account of a family's polygamous history is revealed, including how a young woman became a plural wife. Soon after Ann Eliza's story begins, a second exquisite narrative unfolds—a tale of murder involving a polygamist family in present-day Utah. Jordan Scott, a young man who was thrown out of his fundamentalist sect years earlier, must reenter the world that cast him aside in order to discover the truth behind his father's death. And as Ann Eliza's narrative intertwines with that of Jordan's search, readers are pulled deeper into the mysteries of love and faith. Praise for *The 19th Wife* "This exquisite tour de force explores the dark roots of polygamy and its modern-day fruit in a renegade cult . . . Ebershoff brilliantly blends a haunting fictional narrative by Ann Eliza Young, the real-life 19th "rebel" wife of Mormon leader Brigham Young, with the equally compelling contemporary narrative of fictional Jordan Scott, a 20-year-old gay man. . . . With the topic of plural marriage and its shattering impact on women and powerless children in today's headlines, this novel is essential reading for anyone seeking understanding of the subject."—Publishers Weekly (starred review)

## The Strangest Man

## The Hidden Life of Paul Dirac, Quantum Genius

**Faber & Faber** 'A monumental achievement - one of the great scientific biographies.' **Michael Frayn** The Strangest Man is the Costa Biography Award-winning account of Paul Dirac, the famous physicist sometimes called the British Einstein. He was one of the leading pioneers of the greatest revolution in twentieth-century science: quantum mechanics. The youngest theoretician ever to win the Nobel Prize for Physics, he was also pathologically reticent, strangely literal-minded and legendarily unable to communicate or empathize. Through his greatest period of productivity, his postcards home contained only remarks about the weather. Based on a previously undiscovered archive of family papers, **Graham Farmelo** celebrates Dirac's massive scientific achievement while drawing a compassionate portrait of his life and work. Farmelo shows a man who, while hopelessly socially inept, could manage to love and sustain close friendship. The Strangest Man is an extraordinary and moving human story, as well as a study of one of the most exciting times in scientific history. 'A wonderful book . . . Moving, sometimes comic, sometimes

infinitely sad, and goes to the roots of what we mean by truth in science.'  
Lord Waldegrave, Daily Telegraph

## Doctor Grordbort's Contrapulatronic Dingus Directory

**Dark Horse Comics** By jingo, by crikey, and by all that's good in this world, he's done it! Dr. Grordbort has released his directory of scientific splendor. A catalogue of wondrous contraptions and wave weapons of unprecedented power, this book makes available a myriad of destructive and beneficial devices to any intergalactic explorer: Rayguns, Metal Men, Ironclads, and Rocketships are all presented. Also included is a sequential pictographic essay (also known as a "comic") on the exploits of world-famous naturalist and adventurer Lord Cockswain. See him uncover the natural mysteries of Venus with several big guns!

## The Steel Remains

**Hachette UK** Ringil, the hero of the bloody slaughter at Gallows Gap is a legend to all who don't know him and a twisted degenerate to those that do. A veteran of the wars against the lizards he makes a living from telling credulous travellers of his exploits. Until one day he is pulled away from his life and into the depths of the Empire's slave trade. Where he will discover a secret infinitely more frightening than the trade in lives. Archeth - pragmatist, cynic and engineer, the last of her race - is called from her work at the whim of the most powerful man in the Empire and sent to its farthest reaches to investigate a demonic incursion against the Empire's borders. Egar Dragonbane, steppe-nomad, one-time fighter for the Empire finds himself entangled in a small-town battle between common sense and religious fervour. But out in the wider world there is something on the move far more alien than any of his tribe's petty gods. Anti-social, anti-heroic, and decidedly irritated, all three of them are about to be sent unwillingly forth into a vicious, vigorous and thoroughly unsuspecting fantasy world. Called upon by an Empire that owes them everything and gave them nothing. Richard Morgan brings his trademark visceral writing style, turbo-driven plotting and thought provoking characterisation to the fantasy genre and produces a landmark work with his first foray.

## Transforming the Future (Open Access)

# Anticipation in the 21st Century

**Routledge** People are using the future to search for better ways to achieve sustainability, inclusiveness, prosperity, well-being and peace. In addition, the way the future is understood and used is changing in almost all domains, from social science to daily life. This book presents the results of significant research undertaken by UNESCO with a number of partners to detect and define the theory and practice of anticipation around the world today. It uses the concept of 'Futures Literacy' as a tool to define the understanding of anticipatory systems and processes - also known as the Discipline of Anticipation. This innovative title explores: • new topics such as Futures Literacy and the Discipline of Anticipation; • the evidence collected from over 30 Futures Literacy Laboratories and presented in 14 full case studies; • the need and opportunity for significant innovation in human decision-making systems. This book will be of great interest to scholars, researchers, policy-makers and students, as well as activists working on sustainability issues and innovation, future studies and anticipation studies. The Open Access version of this book, available at <https://www.taylorfrancis.com/books/e/9781351047999>, has been made available under a Attribution-NonCommercial-NoDerivs 3.0 IGO (CC-BY-NC-ND 3.0 IGO) license.

## King of Ithaka

**Henry Holt and Company (BYR)** Telemachos has a comfortable life on his small island of Ithaka, where his mother Penelopeia keeps the peace even though the land has been without its king, his father Odysseus, since the Trojan War began many years ago. But now the people are demanding a new king, unless Telemachos can find Odysseus and bring him home. With only a mysterious prophecy to guide him, Telemachos sets off over sea and desert in search of the father he has never known.

## Texas Ranger

# The Epic Life of Frank Hamer, the Man Who Killed Bonnie and Clyde

**Macmillan** The New York Times bestseller! "Frank Hamer, last of the old breed of Texas Rangers, has not fared well in history or popular culture. John Boessenecker now restores this incredible Ranger to his proper place alongside such fabled lawmen as Wyatt Earp and Eliot Ness. Here is a grand adventure story, told with grace and authority by a master historian of American law enforcement. Frank Hamer can rest easy as readers will

finally learn the truth behind his amazing career, spanning the end of the Wild West through the bloody days of the gangsters.” --Paul Andrew Hutton, author of *The Apache Wars* To most Americans, Frank Hamer is known only as the “villain” of the 1967 film *Bonnie and Clyde*. Now, in *Texas Ranger*, historian John Boessenecker sets out to restore Hamer’s good name and prove that he was, in fact, a classic American hero. From the horseback days of the Old West through the gangster days of the 1930s, Hamer stood on the front lines of some of the most important and exciting periods in American history. He participated in the Bandit War of 1915, survived the climactic gunfight in the last blood feud of the Old West, battled the Mexican Revolution’s spillover across the border, protected African Americans from lynch mobs and the Ku Klux Klan, and ran down gangsters, bootleggers, and Communists. When at last his career came to an end, it was only when he ran up against another legendary Texan: Lyndon B. Johnson. Written by one of the most acclaimed historians of the Old West, *Texas Ranger* is the first biography to tell the full story of this near-mythic lawman.

## The Formula for Murder

## The MIT Encyclopedia of the Cognitive Sciences (MITECS)

MIT Press Since the 1970s the cognitive sciences have offered multidisciplinary ways of understanding the mind and cognition. The MIT Encyclopedia of the Cognitive Sciences (MITECS) is a landmark, comprehensive reference work that represents the methodological and theoretical diversity of this changing field. At the core of the encyclopedia are 471 concise entries, from Acquisition and Adaptationism to Wundt and X-bar Theory. Each article, written by a leading researcher in the field, provides an accessible introduction to an important concept in the cognitive sciences, as well as references or further readings. Six extended essays, which collectively serve as a roadmap to the articles, provide overviews of each of six major areas of cognitive science: Philosophy; Psychology; Neurosciences; Computational Intelligence; Linguistics and Language; and Culture, Cognition, and Evolution. For both students and researchers, MITECS will be an indispensable guide to the current state of the cognitive sciences.
