A COURT OF SILVER FLAMES

[Bloomsbury Publishing USA](#) Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it. The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts. Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.

KISSING IN AMERICA

[Penguin Group Australia](#) Acclaimed writer Margo Rabb's *Kissing in America* is 'a wonderful novel about friendship, love, travel, life, hope, poetry, intelligence, and the inner lives of girls' raves internationally bestselling author Elizabeth Gilbert (*Eat, Pray, Love*). In the two years since her father died, sixteen-year-old Eva has found comfort in reading romance novels to dull the pain of her loss that's still so present. Then she meets Will, who understands her grief, and her romantic fantasies become a reality. But without warning, Will moves to California. Not wanting to lose the only person who has been able to pull her out of sadness, Eva and her best friend decide to drive west to find Will again. As they road-trip across America, Eva and Annie encounter cowboys and tiny towns without stoplights. And along the way, they confront the complex truth about love. In this honest and emotional journey that National Book Award finalist Sara Zarr calls 'gorgeous, funny, and joyous' readers will experience the highs of infatuation and the lows of heartache as Eva contends with love in all its forms. Praise for *Kissing in America* 'Wonderful . . . Margo Rabb has created nothing less than a women's map of American mythologies, navigating from Emily Dickinson to Barbara Cartland, from the cowboys of the rodeos to the makeup studios of Hollywood, and from the bottom of the Atlantic to the spacious skies of the USA.' — E. Lockhart, *New York Times* bestselling author of *We Were Liars* 'A wonderful novel about friendship, love, travel, life, hope, poetry, intelligence and the inner lives of girls. Margo Rabb writes with compassion and clarity about lives that are worth telling, journeys that need to be taken, peace that needs to be reached. I loved it.' — Elizabeth Gilbert, *New York Times* bestselling author of *Eat, Pray Love* 'That Margo Rabb can write a story so gorgeous, funny, and joyous that is also unsentimental and honest is a testament to her skill and to her heart. I loved everything about Eva and the supporting cast in this beautiful novel.' — Sara Zarr, author of *The Lucy Variations* 'Rabb eloquently gets grief right in this compassionate, perceptive, and poignant story, deftly leavened with irreverent humor, of a girl in conflict with her mother. Wise, inspiring, and ultimately uplifting-not to be missed.' — Kirkus Reviews (starred review) 'With a full cast of multidimensional characters, this novel explores the complex nature of relationships and the many faces of grief and love with equal parts humor and poignancy.' — School Library Journal 'A smart teen's novel. [The] characters are authentic and complex. Rabb knows the perfect point to interject humor to diffuse a potentially devastating situation—a leavening of sorts to the reality that death and love inexplicitly alter the landscape of a person's life.' — Booklist (starred review) 'In this indelible coming-of-age story, Rabb seamlessly weaves together multiple narratives. Sprinkled with the poetry Eva reads and writes, this story makes for a hilarious, thought-provoking, wrenching, and joyful quest.' — Publishers Weekly (starred review) 'Humor and depth . . . Often entertainingly snarky' — The Horn Book 'It is a marvel and I love every word of it: the carefully structured plot, the memorable characters, the wholly apposite style and tone. It is funny, sad, wistful, wise, and altogether memorable.' — Michael Cart
