## The Wounding and Healing of Desire

## Weaving Heaven and Earth

Westminster John Knox Press Using refreshingly unconventional prose, rising theologian Wendy Farley has written a theological account of the human condition that delves into the deepest dimensions of the soul. Considering human life from the perspective of the wounding and healing of desire, with desire being that within us which longs for connection, home, and beauty, Farley presents a passionate, moving account of the human condition that draws strongly upon the Christian meditative and mystical spiritual traditions. In doing so, Farley shifts the traditional images of sin and redemption into images of healing and power. The result is a theological memoir that reaches into the human depths and draws forth a response of the soul—in courage, compassion, and delight.

## Healing the Soul after Religious Abuse: The Dark Heaven of Recovery

## The Dark Heaven of Recovery

ABC-CLIO Recent scandals of clergy sexual abuse have brought attention to the victims and their responses to and recovery from their abuse. But few have considered the effect of the abuse on a victim's soul and religious outlook and beliefs. *Healing the Soul after Religious Abuse*, offers a unique perspective of recovery and restoration of the soul after religious abuse. The author argues that religious abuse often stops not only psychological growth, but also inward development. The effect is not simply emotional, because the devastation reaches to the core of the spirit. Often there is no place for a God of love or a love of what once was divine. Through a series of personal interviews with persons from the five major religions, Rauch considers various ways that religion can do harm. The stories told in this book include the road to restoration in the wake of institutional abuse and how inner experience is sometimes confused with religious training; the sacred task of spiritual leadership and how to restore trust when there has been a violation; an exploration of sacrifice and a clarification of the notion of shame; a look at the impact of religious bigotry in the areas of race, sexuality, and tolerance; an overview of sexuality and the place it holds in both celibate and family life; the pernicious issue of clergy sexual abuse and the signs of spiritual trauma in response to such violation; a roadmap for restoration and a challenge to religious institutions; and, lastly, ways to reclaim the sacred and rewire the spirit. Through interviews, research, and personal stories, the author tells a story of recovery of the most delicate kind, offering pathways through the dark night of religious violation to a restoration of the soul and its immense possibilities.

Selected Writings

Penguin UK Composed during a critical time in the evolution of European intellectual life, the works of Meister Eckhart (c. 1260-1327) are some of the most powerful medieval attempts to achieve a synthesis between ancient Greek thought and the Christian faith. Writing with great rhetorical brilliance, Eckhart combines the neoplatonic concept of oneness - the idea that the ultimate principle of the universe is single and undivided - with his Christian belief in the Trinity, and considers the struggle to describe a perfect God through the imperfect medium of language. Fusing philosophy and religion with vivid originality and metaphysical passion, these works have intrigued and inspired philosophers and theologians from Hegel to Heidegger and beyond.

## The Complete Sermons of Martin Luther, Volume 3

Delmarva Publications, Inc. Martin Luther's collected sermons for the church year were originally called postil or postilla (in German: Postille) which was originally a term for Bible commentaries. It is derived from the Latin "post illa verba textus" (after these words) referring to Biblical readings. Luther's postil was published in two series: the Church Postil and the House Postil. His published sermons and catechisms were by far his most popular. They did more to teach people the Reformation than any other book. Luther intended his postils to serve common pastors and people, and therefore was one of the greatest educational and devotional books of the Reformation. From the time Martin Luther published the first part in 1521, every annual cycle of sermons on the lessons, whether consisting of homilies or formal sermons, is termed a postil. This unabridged edition of Luther's writings of the works of Martin Luther is an accurate and clear translation. We have Presents the Church Postil as the mature Luther wanted it to be. It includes Luther's extensive revisions to his own work. For those who are not familiar with the Church calendar year we have elected to number and title each sermon accompanied with a short description of the contents accompanied by the Bible verse. Thus it will look something like this: NO. 1 A KING ARRIVES FIRST SUNDAY IN ADVENT A Discourse on Christ Coming into Jerusalem TEXT: Matthew 21:1-9. The primary basis for the work is the comprehensive the 1905 translation of Luther's Church Postil by John Nicholas Lenker of which volumes 1-5 were originally published in Minneapolis by Lutherans of All Lands, 1904-1906, and volumes 6-8 were originally published in Minneapolis by The Luther Press, 1908-1908. In 1986 Baker Books reprinted this work. For convenience we have maintained the volume numbers of the more recent Baker Books reprint rather than the original volume numbers. Vol. 1.
