# In Bruges

## A Screenplay

*Faber & Faber* You might be asking 'Where IS Bruges?' Well; it is in Belgium, and the filming of the city is absolutely breathtaking. If you enjoyed nothing else about this film, you would still really appreciate the beautiful views of the ancient buildings and canals. It follows two hitmen, Ray (Colin Farrell) and Ken (Brendan Gleeson) who are forced to hideout in Bruges after Ray accidentally kills a child during a hit. Whilst they are meant to be keeping a low profile and waiting for their boss (Ralph Fiennes) to call, Ray's tempestuous nature and a crew of bizarre misfit characters make this an impossible task. Farrell and Gleeson are comically opposed characters, offering much in the way of snappy, funny dialogue, which is only complimented by the appearance of Fiennes as their no nonsense, foul mouthed boss. The direction makes much use of the spectacular backdrop that Bruges provides, and Farrell in particular delivers an entertaining performance along with the rest of the cast.

# At This Theatre

*Rowman & Littlefield* Theatregoers' favorite history of Broadway is back in an updated and expanded 2010 edition including more than 500 color production photos, vintage archival photos, and Playbill covers from all forty currently operating Broadway theatres. This unique chronicle is the first work to present a detailed theatre-by-theatre roundup of players and productions that have enchanted audiences at Broadway's great playhouses from 1900 to 2010. The work is an expanded treatment of "At This Theatre" the popular feature in Playbill's Broadway theatre programs. "At This Theatre" offers playgoers instant

nostalgia by listing notable hits (and some famed fiascos) that have played through the years in the theatre that they are attending. The book also pays tribute to the distinguished impresarios who built and managed these houses, and the brilliant architects and interior designers who created them. The original 1984 edition was created by Playbill senior editor Louis Botto. Botto worked with editor Robert Viagas on the 2000 update. With the third edition, Botto has passed the author torch to Viagas, who founded Playbill.com and the acclaimed Playbill Broadway Yearbook series, and who has written the updates in Botto's style.

*Routledge* *Contemporary European Playwrights* presents and discusses a range of key writers that have radically reshaped European theatre by finding new ways to express the changing nature of the continent's society and culture, and whose work is still in dialogue with Europe today. Traversing borders and languages, this volume offers a fresh approach to analyzing plays in production by some of the most widely-performed

European playwrights, assessing how their work has revealed new meanings and theatrical possibilities as they move across the continent, building an unprecedented picture of the contemporary European repertoire. Written for students and scholars of European theatre and playwriting, this book will leave the reader with an understanding of the shifting relationships between the subsidized and commercial, the alternative and the mainstream stage, and political stakes of playmaking in European theatre since 1989.

## Mapping Global Theatre Histories

*Springer* **This textbook provides a global, chronological mapping of significant areas of theatre, sketched from its deepest history in the evolution of our brain's 'inner theatre' to ancient, medieval, modern, and postmodern developments. Timelines and numbered paragraphs form an overall outline with distilled details of what students can learn, encouraging further explorations online and in the library. Questions suggest how students might reflect on present parallels, making their own maps of global theatre histories, regarding geo-political theatrics in the media, our performances in everyday life, and the theatres inside our brains.**

## Boiled Beans on Toast

## A Play

*Oxford University Press, USA* One of the finest playwrights of our time, Girish Karnad's plays present a critical sense of history, myth, and time. This new play by Karnad has a reference to the founding lore of Bangalore, in which an 11th century king was saved by an old woman who offered him boiled beans. The grateful king desired to name the spot 'Bendakalooru', the place of boiled beans, which would symbolize hospitality and welcome for a weary traveller. However, over the period of time the place has emerged as Bangalore, India's 'Silicon Valley'. The play makes this impersonal city and its humongous growth in the last two decades its subject. Portraying the story of a cross section of those who live in the city-well-off housewives

**and their maid servants with hidden and complicated lives; lower middle class strugglers desperate to climb the corporate ladder; privileged rich kids rebelling against their fathers' money-this play is a direct and realistic gaze at contemporary India.**
