## The Return of the Prodigal Son

## A Story of Homecoming

**Image With over a million copies sold, this classic work is essential reading for all who ask, "Where has my struggle led me?" A chance encounter with a reproduction of Rembrandt's The Return of the Prodigal Son catapulted Henri Nouwen on an unforgettable spiritual adventure. Here he shares the deeply personal and resonant meditation that led him to discover the place within where God has chosen to dwell. As Nouwen reflects on Rembrandt's painting in light of his own life journey, he evokes a powerful drama of the classic parable in a rich, captivating way that is sure to reverberate in the**

hearts of readers. Nouwen probes the several movements of the parable: the younger son's return, the father's restoration of sonship, the elder son's resentfulness, and the father's compassion. The themes of homecoming, affirmation, and reconciliation will be newly discovered by all who have known loneliness, dejection, jealousy, or anger. The challenge to love as God loves, and to be loved as God's beloved, will be seen as the ultimate revelation of the parable known to Christians throughout time, and is here represented with a vigor and power fresh for our times.

# Law in the New Testament

Wipf and Stock Publishers This is a valuable book.....It is a work of wide learning. It deals with a topic which, as the author states in his preface, has been much neglected in spite of the fact that biblical scholars and theologians have always paid lip service to the importance of law in Jewish life. It is a book which should be on the library shelf of every serious student of the New Testament. - Fr. Pius, O.F.M.C. Franciscan Friary, Crawley. J. Duncan M. Derrett was, until his retirement, Professor of Oriental Laws at the University of London. He has author works on legal history as well as 'Jesus's Audience', 'Studies in the New Testament' (6 vols.), 'The Sermon on the Mount', 'The Anastasis', and 'The Bible and the Buddhists'.

Alexander Press (CA)

### The Prodigal Son's Brother

The Parable of the Prodigal Son is one of the most read and preached parables of our Lord Jesus Christ. This Parable focuses on The Father, His House and His two Sons. We know that the Father was a good man, for the scripture declares a good man leaves and inheritance for his children's children. Many who expound on this passage focus on The Son who prematurely took his inheritances, wasted it on riotous living, lost his "substance" and wound up in the Pig Pen Motel. Perhaps this is why this parable is called the "Parable of The Prodigal Son." Others focus on the Father and his relentless love for his son. The father who released the inheritance to his Son knowing that it was premature, the father who let his son leave without confrontation, the father who knew his son would return and actually ran out to meet him before he got back to the house, and the father who threw an elaborate party for his rebellious but now repentant son. However in this powerful presentation Pastor Valerie Russell focuses on The Prodigals Brother. Her spirit-led insights will captivate you and draw you closer into understanding the heart of God for all of His Children. After reading this book you will understand that God really does

not play favorites and there is no need for believers to be envious or jealous of one another. You will learn that whose you are, is more important that who you are and that who you are, is more important that what you have. Finally you will come away with the understanding that because you are in the Father's house everything he has is yours, it always has been and it always will be.

## In the Mirror of the Prodigal Son

### The Pastoral Uses of a Biblical Narrative (c. 1200–1550)

**BRILL** In *In the Mirror of the Prodigal Son: The Pastoral Uses of a Biblical Narrative (c. 1200-1550)* Pietro Delcorno reconstructs how this biblical parable became, particularly through preaching, a key master narrative in shaping religious identity in medieval and Reformation Europe.

## ESV Study Bible

**Crossway** The ESV Study Bible was created to help people understand the Bible in a deeper way. Combining the best and most recent evangelical Christian scholarship with the highly regarded ESV text, it is the most comprehensive study Bible ever published. The ESV Study Bible features more than 2,750 pages of extensive, accessible Bible resources, including completely new notes, full-color maps, illustrations, charts, timelines, and articles created by an outstanding team of 93 evangelical Christian scholars and teachers. In addition to the 757,000 words of the ESV Bible itself, the notes and resources of the ESV Study Bible comprise an additional 1.1 million words of insightful explanation and teaching-equivalent to a 20-volume Bible resource library all contained in one volume. (Please note this edition does not come with free access to the Online ESV Study Bible resources.)

## The Prodigal God

### Recovering the heart of the Christian faith

**Hachette UK** In *THE PRODIGAL GOD*, New York pastor Timothy Keller uses the story of the prodigal son to shine a light on the central, beautiful message of Jesus: the gospel of grace, hope and salvation. Keller argues that the parable of the prodigal son, while Jesus' best-known parable, is

also his least understood. He introduces the reader to all the characters in this timeless story, showing that it concerns not just a wayward son, but also a judgemental older brother and, most importantly, a loving father. This short but powerful book is a reminder to the faithful, an explanation to the seeker, and finally an invitation to all - both older and younger brothers - to enter in to the 'unique, radical nature of the gospel': the reckless, spendthrift love of God.

### Revisiting Jesus' Parable of the Prodigal Son from the Perspective of Quantum Mechanics

Booksurge Llc Can quantum physics tell us anything new about Jesus or shed light on what he was really trying to teach his followers. Can it aid us in answering the age old questions of who and what we, God and the

universe actually are? Can it give us a new understanding of our purpose in life? Quantum Prodigal Son revisits Jesus' beloved 'Parable of the Prodigal Son' from the perspective of quantum physics, Gnostic gospels and the Bible. Written in a straightforward manner that requires no previous scientific or religious knowledge, Quantum Prodigal Son invites you to meet the Jesus you may have never known existed, a Jesus who understood, and applied, the principles of quantum mechanics in his life and teachings and demonstrates how you can do the same.

## My First Bible Stories (Stories Jesus Told): the Prodigal Son

**QED Publishing** This is the popular story of a farmer's son who leaves home and spends all his father's money on parties and having a good time. He is eventually left hungry and alone and longing to return home. He fears that, having behaved so badly, he will not be welcome but his father is in fact overjoyed to see his son and welcomes him with open arms. This beautifully illustrated parable demonstrates that God will joyfully welcome and forgive anyone who strays but eventually comes back to him. This popular story from the New Testament is part of a series of parables, retold simply and clearly with beautiful illustrations and next steps at the back of the book to encourage further discussion. The perfect first introduction to Jesus' much-loved stories for young children.

## Knowable Word

## Helping Ordinary People Learn to Study the Bible

**Observe...Interpet...Apply** People with Bibles don't always know how to use them. They're good at absorbing and repeating material from sermons, commentaries, and blogs, but they miss the fullness and joy that comes from studying the Bible for themselves. The power to change the world is available, but it goes untapped. Though study aids are helpful, imagine if your primary ministry curriculum was Scripture itself. You could study the Bible, teach people how to study it themselves, and expect those folks to lead their own Bible studies with their neighbors, coworkers, and friends. Each year, you'd see an increasing number of men and women wield the sword of the Spirit, piercing hearts and drawing the lost to Jesus. Ordinary people can learn to study the Bible. These people may not have been to seminary. They don't have much free time. But they love Jesus and want to be more like him. They want to know him. Knowable Word offers a foundation on why and how to study the Bible. Using a running study of the

first chapter of Genesis, it illustrates how to observe, interpret, and apply the Scripture-and gives the vision behind each step. It also shows how to read each Bible passage in light of salvation history. But besides being just a how-to on Bible study, it fuels the desire to learn and grow through studying the Scriptures. This book will appeal to three kinds of people: 1. Beginners who love God and his Word 2.Mature Christians who want to improve their Bible study skills 3.Leaders who long not only to teach but also to equip Knowable Word offers what each group needs: a sensible Bible study method. By learning to observe, interpret, and apply, ordinary people will grow extraordinarily close to Jesus Christ as they learn to study his knowable Word.

## The Prodigal Son

# A Dvd Study; an Astonishing Study of the Parable Jesus Told to Unveil God's Grace for You

John MacArthur explores the parable of the prodigal son, revealing insights into the culture of Jesus' day, the two kinds of sinners, and the depths of God's grace and mercy."

## The Prodigal Son

Qeb Publishing Quarto Library A wayward son returns home when he falls on hard times, fearing he won't be welcomed because he disrespected his father. But when he asks for forgiveness, his father welcomes him, just as God rejoices and forgives those who come back to him.

Matthew Henry

### The Parable of the Prodigal Son, Or from Heaven to Hell and Return (Classic Reprint)

**Forgotten Books Excerpt from The Parable of the Prodigal Son, or From Heaven to Hell and Return We have tried to show the reader that Heaven is a creation of the God of the universe, or, in other words, the Conscious**

God, and the world is only a. House divided against itself, and a creation of the unconscious god in man to awaken the truth within and bring out the consciousness. What the Conscious (Iod created is real and endures forever, and cannot be forgotten when once known; but the world of belief, or death, is only another name for unconsciousness. Being dead in the sense of unconsciousness does not mean that you cannot believe that you move and have life, for if you did not believe that the world of belief was real, it) would not accomplish that for which it was created, namely, the awakening of the consciousness of life within, where all knowledge dwells. When we say within we include the whole universe, which has no limitations, for man is in the image and likeness of (Iod, and (Iod means everything that is: so the world is only belief, because it will consume itself and pass away. When we say belief we mean anything that man created and calls by one name or another, because they are all self-consuming if you only will give them time enough therefore, such cannot be knowledge or created by God, for all things that God created are eternal, always were and always will be, without beginning or ending. ## Grace for You

Thomas Nelson In the distance, a figure, just barely a speck on the horizon, slowly approaches his boyhood home. He hasn't been there in years and is nervous about showing his face. Years ago he wished his father would drop dead, took his share of an inheritance, and lived a shameful life. With all the wealth squandered, his desperate poverty has driven him back to his father's house. At the same time, an elderly man, distinguished and handsomely dressed, sees a far-off silhouette. Could it be? he thinks to himself, not daring to let his hopes up, refusing to believe his son would ever come home. But what is a vague, repressed hope becomes the undeniable truth that his long-lost son draws near. He runs recklessly to meet him. Grace for You, taken from Dr. John MacArthur's best-selling book *A Tale of Two Sons*, explains the hidden dynamics of Jesus' most well known parable, The Parable of the Prodigal Son. It gives you a brief but powerful look into the homecoming of the son, the unthinkable response of the father, and the often overlooked truth about the older brother who spurns his return. In these pages you will rediscover the depths of god's redemption.

# What's So Amazing about Grace?

**HarperCollins Christian Publishing** A stunningly innovative visual edition of this award-winning book---designed to appeal to spiritual seekers and visually oriented readers. Philip Yancey's *What's So Amazing About Grace?* won the Book of the Year Award in 1998 and has sold over one million copies since it was first published in 1997. Now this innovative visual edition uses the life-transforming content of Yancey's message and makes it accessible to a whole new audience. This visually rich book takes portions of the text of the original book and illustrates the themes and messages with provocative full-color photography and graphic illustrations. The creators of this visual edition designed it with the needs of contemporary postmodern readers in mind: both spiritual seekers and the younger, more visually oriented readers of today's culture. By combining Yancey's engaging style with striking images that enhance and illuminate the message, this unique book enables readers to 'experience grace' as they interact with the powerfully imaginative format. With deep personal honesty Yancey paints true portraits of grace's life-changing power as he searches for its presence in his own life and the life of the church. He explores grace---God's love for the undeserving---while challenging Christians to become living answers to a world that desperately wants to know: *What's so amazing about grace?*

# Luke 15:11-32 for Children

Concordia Publishing House

# Stories of Calvary

Winepress Pub Danny Hodges became the senior pastor of a young church fellowship known as Calvary Chapel in St. Petersburg, Florida, in April of 1984. Three years later when he was introduced to Pastor Chuck Smith and the Calvary Chapel movement, he felt an immediate sense of being at home and was grateful to God for leading him to this network of churches that upheld a simple, biblical philosophy of ministry and well-balanced doctrine. Calvary Chapel St. Petersburg soon became a fellowship of Calvary Chapel Costa Mesa, and since that time God has steadily grown the ministry from a handful of mostly young single adults to a large church full of families. It has been exciting to see God's Spirit bring many to salvation through Jesus Christ, see lives change and mature in the Lord, see relationships bloom and grow, see ministries evolve and prosper, see a hunger for the Word of God and see a passionate desire to win the lost to Jesus. Pastor Danny and his wife, Wendy, consider it an honor to serve this growing body of believers together with their four children, Tanner, Hayden, Jairus and Audra.
