Henry, director of everything around him, studies human nature and applies philosophies to his paintings as well as his relationships. Quirky and polite to a fault, he follows his own code of honor even when it means denying himself. Charming and playful, Jay craves stability, guidance, and the chance to please others. His antics counterbalance Henry's formal ways and bring vulnerability and fun to the trio's adventures. BDSM play with the enigmatic artist and flirtatious joker across the hall allows Alice to quiet the too-logical mind that has kept her unsatisfied and distant with other lovers. She must reconsider her notions of love, submission, and independence if she's to find a permanent place in their bed and hearts.

His job is to make her submit. Whose heart will surrender first? Across the country, rebellious BDSM submissives are being systematically kidnapped, one from each club. When her friend falls prey to the slavers, FBI victim specialist Gabrielle volunteers to be bait in a club not yet hit: the Shadowlands. She finds that being a bratty sub comes naturally, especially when she gets to twit the appallingly conservative Master of the trainees. But she soon discovers he's not as stuffy as she'd thought. Or as mean. She'd expected punishment, even humiliation, but she sure never expected to fall in love with a damned lawyer. Courtesy of a prima donna ex-wife, Marcus loathes disobedient submissives. When the club owner insists he admit an incredibly bratty trainee, he's furious. But as he comes to know Gabrielle and sees the alluring sweetness beneath the sass, he starts to fall for her. Unfortunately, Marcus isn't the only one who believes the feisty redhead is a prize worth capturing. And in the world of the slaver, such treasure is worth a hefty fee. NINETEEN EIGHTY-FOUR

epubli "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

EXCERPT: "Seeing you dancing out there with Kelly—you don't know how sexy you are, do you?" he asked, leaning over to me, his hand running up from my knee to my thigh. His breath was warm on my face, and I could smell the 7&7's he'd been drinking all night. My own head was still swimming with wine. "You two rubbing up against each other, seeing your red little dress riding up and up," he whispered, his hand pushing my dress up further as he sought higher ground on my leg. "You looked just like you do when you come, with your eyes half closed and your mouth open and your legs quivering." I moaned, tilting my face up to him, and then he was kissing me, his tongue forcing its way past my teeth, down my throat, as he pressed me into the door. "I wanted to fuck you right there on the dance floor," he growled against my neck, biting and sucking at my flesh. "I wanted to fuck you both." I gasped, his hands groping me in the dark, everywhere at once. My dress was pushed up to my waist now, his fingers rubbing fast and hard between my legs. We kissed, our mouths meshing together as he leaned over the gearshift to get to me. When he pulled my panties aside and plunged his fingers into me, I hissed, putting one foot up onto the dashboard to give him better access. He was trying to climb over onto me but there wasn't enough room—not in his little Roadster. When I whispered that fact to him, he grunted, pulling his hand away from me and moving to open his door. A moment later, he was opening mine, and I was still sitting there with my panties askew, my heels off, and my dress shoved up to my waist, struggling with the seatbelt. He leaned over me and popped the button, pulling me out of the car and crushing me to him, his tongue digging deep into my mouth. I clung to him, wrapping my arms around his neck, feeling his hands roaming over my ass, squeezing and lifting me, pressing my crotch to his. I could feel how hard he was

through his trousers. Then he was turning me around, pressing me over the hood of the car, shoving my dress up higher on my waist. His hands moved over my ass, my thighs, and I heard his zipper and the felt his cock pressing against my panties. He shoved those aside, his fingers finding me again, moving in and out of my wetness—and I was wet, soaking wet, my panties moist with my heat. He didn't bother to take them off, he just replaced his fingers with his cock, shoving himself deep inside me with a growl. I moaned, pressing my cheek to the metal, the engine still ticking as he started to fuck me, my hands out in front of me, just letting him take me. I could see the Christmas lights of the neighbor's house across the street, a blurred red and green glow as he rocked me against the Beemer's electric blue hood.

DISCIPLINE AND PUNISH

THE BIRTH OF THE PRISON

Penguin UK 'Imaginative, illuminating and innovative' The New York Times Book Review The grisly spectacle of public executions and torture of centuries ago has been replaced by the penal system in western society - but has anything really changed? In his revolutionary work on control and power relations in our public institutions, Michel Foucault argues that the development of prisons, police organizations and legal hierarchies has merely changed the focus of domination from our bodies to our souls. Even schools, factories, barracks and hospitals, in which an individual's time is controlled hour by hour, are part of a disciplinary society. 'Foucault's genius is called forth into the eloquent clarity of his passions ... his best book' Washington Post

MASTERS OF THE SHADOWLANDS

Vanscoy Publishing Group Contemporary BDSM erotic romance "(contains Club Shadowlands & Dark Citadel)" CLUB SHADOWLANDS Her car disabled during a tropical storm, Jessica Randall discovers the isolated house where she's sheltering is a private bondage club. At first shocked, she soon becomes aroused watching the interactions between the Doms and their subs. But she's a professional woman--an accountant--and surely isn't a submissive . . . is she? Master Z hasn't been so attracted to a woman in years. But the little sub who has wandered into his club intrigues him. She's intelligent. Reserved. Conservative. After he discovers her interest in BDSM, he can't resist tying her up and unleashing the passion she hides within. DARK CITADEL After Kari breaks up with her date during Beginner's Night at Club Shadowlands, she's given the option to continue with an experienced dominant. Despite her steamy fantasies about BDSM, the inexperienced schoolteacher plans to simply observe. Yet under the unyielding hands of Master Dan, she not only participates, but gives him everything he asks for. There is nothing she can hide from him. Not her passion...or her love. Still mourning the death of his wife, Master Dan avoids getting involved with women and he never takes a sub twice. But this modest little beginner is such a sweetie, one night is far from enough. As he plumbs her responses, taking her ever deeper into the world of BDSM, the gentle submissive begins to show him how barren his life has become and what a dark citadel he's made of his heart. During their three nights together, the teacher will learn to submit...can she teach the master to love?

JARED'S EVOLUTION

Createspace Independent Publishing Platform He wants to dominate me...to discipline me. He wants me to call him Daddy... I've always taken care of myself--worked hard to become king of the courtroom and excel in the cutthroat business of winning cases. I'm fierce...brutal...confident. I'm a lie. Underneath my armor, I'm drowning, losing myself under the weight of life. At thirty-three years old, I should be able to handle the pressure. My neighbor Kieran sees past my spotless suits and manufactured control to the real Jared. The one who secretly craves being dominated, to serve, and to give up control--not just in the bedroom, but in every aspect of my personal life. I can't want this...but I do... When I'm under Kieran's command--spanked, rewarded and caged--I'm free. With Kieran's care and guidance, my mind is unburdened as my body soars to new heights, and Kieran becomes what we both need him to be: Daddy. It's a journey of dominance and submission--of rules, schedules, security and discipline. He opens my world, teaches me, changes me...but he doesn't let me in. It's temporary, Daddy tells me, and I'd be wise to remember that, so I don't get hurt. Warning: Jared's Evolution contains BDSM elements, domestic discipline, spanking, and daddy kink--without age play--between two consenting adults. If any of those things offend you, reading this book might not be a good idea. Jared's Evolution is part of the Desires Unleashed collection. Some books in this collection will have darker themes. Please be aware Desires Unleashed are erotic and not your typical Riley Hart romance. You can expect the mental and emotional journey to be led by the physical/s*xual moments--which will be intense, frequent and kinky.
