No one can see him, no one can hear him. In fact, a police detective named Harald Fors arrives at school that very morning to investigate Hilmer's disappearance. The boy has no idea what's going on, but he's frightened, and he's starting to forget things - including what happened to him a few nights earlier. As Fors scours the village and interviews area residents for clues, he begins to piece together the puzzle of Hilmer's disappearance.
