Now Comes Theodora

A Story of the 1960s

Warbird Books "A richly colorful novel," said the New York Times, but in the author's home town, the bookstore manager kept it under the counter and sold it only to those who dared ask for it. Woodstock was still four years in the future, and American students were more concerned about nuclear weapons than a war in Vietnam. But already there was something blowing in the wind, as the young Daniel Ford was among the first to document in his debut novel. "It is impossible not to keep on watching them," said The New Yorker of his heroine and his anti-heroes, and the Los Angeles Times agreed: "An effervescent eye-opener."

The Pageant

Five for Silver (EasyRead Super Large 18pt Edition)

ReadHowYouWant.com The year is 542. Peter, John the Lord Chamberlain's elderly servant, claims a heavenly visitor revealed a murder to him. It transpires that Peter's old army friend has indeed been stabbed, but then John discovers that Gregory was not what he appeared to be. Is the solution to the mystery to be found in a hidden identity, in the will made by a dying ship owner with a wayward son, or perhaps even amid the oracles in a merchant's garden? John's quest leads him to churchmen and whores, lawyers and bear trainers. Suspects include a dealer in dubious antiquities, a resourceful bookseller, a court poet fixated on bereavement, and a holy fool who outrages the city by dancing with the dead and invading the empress' private bath. Only a man of unbending principle could hope to find justice in a terrified city where the good and the bad are struck down indiscriminately, where disorder rules, and where witnesses may die before they can be questioned. A city, in short, where death is the murderer's accomplice.

BOLD AS BRASS

Xlibris Corporation Bold as Brass is a collection of twenty-four stories set in Waterbury, Connecticut, once Brass Capital of the World. All the stories are works of fiction. They are the author's look into long-ago lives, both of her Irish Catholic family and of imagined characters who might have joined them in their daily goings on, in a period of time that stretches from the thirties through the fifties. Whether the characters are swimming at Scovill's Dam on a hot summer day and wondering what is beneath that water or telling stories around the kitchen table on a rainy afternoon, making a pilgrimage to Saint Anne de Beaupre in Canada to request a baby or bearing gifts to a birthday celebration with mixed results, their stories are presented in a way that shows how insightful commonplace occurrences can prove to be. Bold as Brass is the author's second book, deliciously anecdotal, and a true companion to her first book, The View from Cracker Hill, a memoir of 1950s Waterbury. These are stories of working-class people, of whom Betty notes in "Saturday Night Swells,"

the idea that "ordinary people can have extraordinary moments is a wonderful discovery." The author says, "I echo Betty's sentiment, and I am delighted to share these stories."

Dissociation and Wholeness in Patrick White's Fiction

Wilfrid Laurier Univ. Press Most studies of Patrick White's fiction are devoted to elucidating archetypal patterns, symbolic configurations, and thematic preoccupations, and generally to praising the way White's fictional elements combine to form a religio-mystical worldview. Few have questioned this critical approach to White; fewer still have questioned White's vision itself. Yet, according to the author, questioning is in order—for Patrick White is a man divided. One part of him strives for permanence, for the ideal, in a world he knows is contingent and temporal, a world that will undermine his striving. This leads him as a novelist to devalue human life and to impose arbitrary, symbolic resolutions on his novels. This has been the focus of most critics. But there is another side, a part of White that strains away from the dualism of idealism versus despair and towards a vital wholeness that can be found, not in a world beyond the one we live in, but in human relationships. It is this side of Patrick White, argues Laurence Steven, that is the source of his genuine power as a novelist. An important challenge for the critic is "to develop an ability to see, within the restrictive compass [White's] symbolic designs impose on the novels, 'the new shoots,' as [D. H.] Lawrence would have it, which indicate new life, new creativity, and which point towards a wholeness which human beings can embrace as their own" (Introduction).

Theodora of Constantinople

Chronicles of Avonlea

DigiCat "Chronicles of Avonlea" is a collection of short stories by L. M. Montgomery related to the Anne of Green Gables series. Most of the stories take place in the fictional Canadian village of Avonlea. The twelve stories in the book tell about the events of the residents of Avonlea, which are related to Anne Shirley - the main character of another series. Anne also appears in several stories, but mainly as a supporting character.

Theodora's Diary

Zondervan Saturday 8th May. Emergency! It is 11:30 p.m. and I am suffering from an incredibly intense chocolate craving that will not leave me in spite of prayer, distraction activities and half a loaf of bread and butter. Got out of bed and searched the flat. No luck. Not even a bourbon biscuit. Not even a cream egg left from Easter. All the shops are closed so no nipping out to replenish supplies. Nothing else for it. I'm reduced to the chocoholic's equivalent of meths—cooking chocolate. It's been one of those days for Theodora. Her mother has become the Greek equivalent of Delia Smith, her boyfriend would rather watch 22 men kick a ball around a field than go shopping with her, and chintzy Charity Hubble wants to pray for her. And of course, the crowning insult is her utter lack of chocolate. Join in her daily life with all of its challenges and joys, tears and laughter. "Theodora's Diary is a hilarious and realistic peek into the life of a sprightly Christian sister living 'across the pond.' I found myself laughing out loud and thinking, 'Yes, life is just like this!' Penny Culliford is a welcome new voice in inspirational fiction." --Angela Hunt, author of *The Debt*.

The Chronicles of Avonlea

Jazzybee Verlag Miss Montgomery continues to follow up the vein she opened in "Anne of Green Gables." These stories are all of Spencervale or Avonlea. Anne herself—or what we hope to be a caricature of her—appears on the cover, and is mentioned now and again within. But she is not the leading figure in any of the tales, which might have been called "Romances of Middle Age," so strongly does a single motive dominate them. Ten out of the dozen stories deal with belated love-affairs, or with the pathetic devotion of age for youth.
