The thing is, those intimate relationships are a mirage—the closer you get to them, the more you realize they aren’t real at all. So what does a real relationship look like? And how do you get there? In Relationship Goals, Pastor Michael Todd digs deep to give you good news and real-life ideas for making the most of your most important relationships. Take a look at • what it means to choose intentional dating over recreational dating • how to move on from mistakes you’ve made in the past • why love gets stronger after marriage • what the Bible has to say about sex (hot take: it’s more sizzling than you think) • why the best friendships have God at the center Whether you are married, single, or it’s complicated, aiming for the right targets will make all the difference in finding true satisfaction. #### CRAZY FAITH

---

---

#### IT'S ONLY CRAZY UNTIL IT HAPPENS

---

*WaterBrook* NEW YORK TIMES BESTSELLER • From the author of Relationship Goals . . . Will you be remembered as a person who claimed to follow God but liked to play it safe? Or as a person who lived your life out on the limb and trusted God enough to live in crazy faith? Noah looked crazy when he started building the ark . . . until it started raining. It was crazy for Moses to lead a nation of people into the desert away from Egypt . . . until the Red Sea parted. It was crazy to believe that a fourteen-year-old virgin would give birth to the Son of God . . . until Mary held Jesus in her arms. There are many things that seem normal or average today that at one point in time seemed absolutely crazy. Smartphones, Wi-Fi, and even the electric light bulb were all groundbreaking, history-making inventions that started out as crazy ideas. Our see-it-to-believe-it generation tends to have a hard time exercising true faith—one that steps out, takes action, and sees mountain-moving results. Many of us would rather play it safe and stand on the sidelines, but it’s crazy faith that helps us see God move and reveals His promises. In Crazy Faith, Pastor Michael Todd shows us how to step out in faith and dive into the purposeful life of trusting God for the impossible. Even if you have to start with baby faith or maybe faith, you can become empowered to let go of your lazy faith, trust God through your hazy faith, and learn to live a lifestyle of crazy faith. With powerful stories of modern-day faith warriors who take their cues from biblical heroes, Michael Todd equips you to • believe for the impossible • choose hope over fear • be alert to the voice of God • cope with loss and doubt • develop a deeper level of trust in God • speak faith-filled declarations • inspire crazy faith in others God’s not looking for somebody to give Him all the reasons why His plans can’t happen. He’s looking for somebody to believe they will happen. In fact, He has so much He wants to do through you. The question is, Are you crazy enough to believe it?

## PREACHING FOR CHURCH TRANSFORMATION

---

*Abingdon Press* Before he was one of the best-known church consultants in the country, Bill Easum served a lengthy pastorate in San Antonio, Texas. When he arrived at the church it was in serious decline, with the possibility of having to close its doors beginning to loom over it. By the time he left it was the most vibrant, fastest-growing congregation in its city and region. Shortly after he arrived, Easum preached a series of sermons on the book of Acts that challenged the congregation to become an authentic New Testament church. He called on parishioners to step out of their comfort zones, stop expecting their pastor to be a personal chaplain, and join together to reach their city with the message of Jesus. *Preaching for Church Transformation* provides updated versions of the sermons Easum preached as he issued this challenge to the congregation shortly after his arrival. Interspersed with the sermons is commentary telling the reader how to adapt them for her or his own situation. Anyone wanting to lead a congregation from the status quo to growth and faithful witness will find *Preaching for Church Transformation* an indispensable resource.

### THEORY AND PRACTICE

---

*Virtualbookworm Publishing* *Transformational Preaching: Theory and practice* is a comprehensive textbook for the beginning student of preaching, the graduate student in pulpit discourse, or the seasoned preacher. Seeking to reclaim the pulpit for biblical preaching, the book counteracts the popular "teaching" approach that is common today, and argues that preaching must be persuasive rather than informative, that the preacher is central to the act of preaching, and that through the preaching event, both preacher and listener together fashion the "message" and its meaning. Both theoretical and highly practical, the book offers a challenging look at all aspects of the preaching ministry. It contextualizes preaching in pastoral ministry and congregational worship, but, most significantly, argues that the practice of preaching must be informed and driven by theory. As such, the book

draws from a wide perspective of disciplines, including biblical theology, classical rhetoric, contemporary human communication, public discourse, persuasion, linguistics, performance, and orality. The book's wealth of practical guidelines for every step of sermon development encourages students to apply general principles within their own contexts of ministry.

## IT'S ALL ABOUT THE KINGDOM

---

### 10 SERMONS WITH KINGDOM THEMES

---

*AuthorHouse* **This Book** embodies the expectations and aspirations of 'Kingdom people' as expounded in a series of 10 sermons, through which the inspiration of the Holy Spirit conveyed unto me to share with you. The topics are: Kingdom Commitment, Kingdom Greatness, Kingdom Priorities, Kingdom Investments, Kingdom Focus, Kingdom Economics, Kingdom Purpose, Kingdom Attitudes, Kingdom Characteristics and Kingdom Privilege. Throughout the teachings of New Testament Scripture the theme of the Kingdom is central. John the Baptist preached the Kingdom and Jesus Himself commenced His earthly ministry on the same topic: "Repent, for the Kingdom of Heaven is at hand" (Matt 4:17). At a matter of fact, at the heart of Jesus' commandments for His followers is the decree of Matthew 6:33, "But seek ye first the Kingdom of God." As disciples of Christ, we are encouraged to walk in the footsteps of Jesus (1 Peter 2:2 & 1 John 2:6) and to take on the very mindset of Christ (Philippians 2:5). In this we are called "Christians," and in this, we showcase to the world from generation to generation that "It's all about the Kingdom!"

### THE ART OF HEARING

---

---

#### ENGLISH PREACHERS AND THEIR AUDIENCES, 1590-1640

---

*Cambridge University Press* This is the first study of English sermons to focus on the sermon as heard by the listener rather than as uttered by the preacher. Throughout most of Christian history, the sermon has been the main vehicle for the transmission of religious ideas, particularly during the early modern period when many people could not read or

write. Arnold Hunt assesses the effectiveness of the sermon as a means of spreading Protestant ideas, looking at the response from the audience and showing that the laity often interpreted sermons in ways that their clerical authors did not intend. It is also the first book to look in detail at the difference between the sermon as preached and the sermon as printed, showing that the sermons that survive in print are often a very inadequate guide to what was actually delivered from the pulpits of early modern England.

## **PREACHERSNSNEAKERS**

---

### **AUTHENTICITY IN AN AGE OF FOR-PROFIT FAITH AND (WANNABE) CELEBRITIES**

---

*Thomas Nelson* Founder of the phenomenon social media account PreachersNSneakers tackles how faith, capitalism, consumerism, and (wannabe) celebrity have collided and asks both believers and nonbelievers alike: how much is too much? What started as a joke account on Instagram has turned into a movement. Through this provocative project, the founder of PreachersNSneakers is helping thousands of Jesus followers wrestle with the inevitable dilemmas created by our Western culture obsessed with image and entertainment. In *PreachersNSneakers: Authenticity in an Age of For-Profit Faith and (Wannabe) Celebrities*, Ben Kirby approaches many of the difficult questions plaguing countless Christians' minds, presenting experiences and input from both sides of difficult questions, such as: Should pastors grow wealthy off of religion, and can their churches ever be too large? Do we really believe that divine blessings are monetary, or is that just religious wallpaper to hide our own greed? Is there space in Christendom for celebrities like Kanye and Bieber to exist without distorting the good news? What about this: Is it wrong for someone—even wrong for author Ben Kirby—to call out faith leaders online and leverage “cancel culture” to affect change? PreachersNSneakers will navigate these challenging questions and many more with humor, wit, candor, and a few never-before-published hijinks. Each chapter will explore the various sides of the debate, holding space for us to make up our own minds. This book is not about finding the perfect, “right” way to do something, but instead learning how to articulate what we believe, why we believe it, and what to do when we want to stand up against cultural norms. This book will doubtlessly become a staple for church small groups, college ministries, and book clubs, emboldening struggling believers who want to live a more genuine faith. After all, the Lord works in mysterious colorways.

### **PREACHING THAT LEADS TO TRANSFORMATION AT THE NORTH STREET CHURCH OF CHRIST IN NACOGDOCHES, TEXAS**

---

This doctor of ministry thesis presents the results of a project to develop a process whereby the sermon would be enhanced for listeners at the North Street Church of Christ in Nacogdoches, Texas, so that preaching would be more effective in leading to transformation. The theology and methodology of John Wesley were utilized as a lens by which to think about and implement this practice. The intervention involved a six-week session with a focus group that represented a cross-section of the congregation. Participants in this group were asked to engage in a lectio divina exercise on a particular text daily, journal about the experience, listen attentively to the sermon on the same text on Sunday morning, and met with a group of others who were engaged in the same practices for the purpose of discussion. Group members were to propose ways in which they might be able to implement, in the coming week, what they had learned. Each was encouraged to choose one of those possible implementations and practice it. The following meeting would begin with a discussion of the implementation. Evaluation of the process revealed that such preparation before the sermon, engagement with others about the sermon, and practicing lessons learned helped to bring about transformation in the lives of the participants. In addition, the process also revealed that the diversity of the group contributed significantly to the learning and growth of the participants. The thesis concludes with suggestions for the elders in how to utilize this process going forward.

### **THE STORY OF HOW A FATHERLESS STREET KID OVERCAME VIOLENCE, CHAOS, AND CONFUSION TO BECOME A RADICAL CHRIST FOLLOWER**

---

*Tyndale House Publishers, Inc.* Some memories are permanently seared into our childhood brains with a hot iron of adrenaline and fear. For five-year-old Greg, it was the memory of his ma walking back to the house after confronting his stepdad with a splintered, bloodied baseball bat in her hand. Greg Stier was raised in a family of bodybuilding, tobacco-chewing, fist-fighting thugs. He never knew his biological father because his mom had met his dad at a party; she got pregnant, and he left town. Though his mom almost aborted him, in a last-minute twist, Greg's life was spared for so much more. *Unlikely Fighter* is the incredible story of how God showed up in Greg's life--and how he can show up in yours as well. This is a memoir of violence and mayhem--and how God can transform everything.

### PREACHING TO A POST-EVERYTHING WORLD

---

### CRAFTING BIBLICAL SERMONS THAT CONNECT WITH OUR CULTURE

---

*Baker Books* Zack Eswine starts this unique pastoral resource with a captivating question: Could I now reach who I once was? Challenging the idea that today's preachers must do away with biblical or expository preaching if they are to reach non-Christian people, Eswine offers a way of preaching that embraces biblical exposition in missional terms. Recognizing all of the different cultural situations in which the gospel must be preached, he gives preachers practical advice on preaching in a global context while remaining faithful to the Bible. Pastors, seminarians, and church and ministry leaders who speak in various contexts will welcome this fresh, thoughtful examination of bringing the Word to today's multi-everything, post-everything world.

---

### LEADING WITH THE SERMON

---

### PREACHING AS LEADERSHIP

---

*Fortress Press* In this addition to the new **Working Preacher Books** series, prolific author William H. Willimon makes the compelling case that two key pastoral tasks--preaching and leadership--complement, correct, strengthen, and inform one another. Preaching is the distinctive function of pastoral leaders. Leadership of the church, particularly during a challenging time of transition in mainline Protestantism, has become a pressing concern for pastors. This book shows how the practices, skills, and intentions of Christian preaching can be helpful to the leadership of a congregation. It will also show how leadership is an appropriate expectation for sermons. In preaching, pastoral leaders can help a congregation face its problems and coordinate its God-given resources to address those problems. Sermons can be an opportunity to articulate, motivate, and orchestrate God's people in doing God's work in the church and in the world. **Leading with the Sermon** includes chapters on why pastors must be leaders, why preaching is such an essential task in telling the truth about the gospel, how preaching makes better leaders, and how better leaders make better preachers.

## **THE IMPORTANCE OF PREACHING FOR THE TRANSFORMATION OF CHRISTIAN IN KOREA**

---

Korean Christians have had a problem with the transformation of their values and life-styles following their conversion. This thesis project will attempt to prove that one of the most important factors in the transformation of new believers, is biblical preaching. It will further attempt to show that much of the preaching in Korea is non-Christocentric, and this is especially ineffective in transformation. To produce transformation in new believers, churches need Christocentric preaching. This thesis project will explore Christocentric preaching's historical background, principles, and importance. This project will also present the advantage, need, and importance of doctrinal expository preaching, especially in the background of the Korean church. Materials used include written sources and surveys of Korean pastors and members from their churches. To summarize, this thesis project will attempt to show the importance of preaching, especially Christocentric and doctrinal preaching in the transformation of lives of new believers, and give some helps in preparing and preaching these types of sermons.

## **PREACHING TO BE HEARD**

---

---

## **DELIVERING SERMONS THAT COMMAND ATTENTION**

---

"If a sermon is preached in a church and no one is listening, does it make a difference?" There are many expository preachers who forego dynamic delivery and many dynamic preachers who lose sight of faithfully communicating the biblical text. Too often preachers feel they have to choose one or the other. But dynamic delivery and faithful exposition are not mutually exclusive. In *Preaching to Be Heard*, Lucas O'Neill shows pastors that presenting engaging sermons that are biblically focused is not an impossibility. In fact, the key to commanding attention lies in the text itself. Rather than relying on tricks or gimmicks, his approach to sermon writing focuses on maintaining tension throughout while sticking close to the biblical text. Using practical examples and a step-by-step method, O'Neill shows pastors how relying on the inherent anticipation within Scripture can lead to sermons that are powerful--and heard.

## **EXPOSITORY PREACHING IN AFRICA**

---

---

### **ENGAGING ORALITY FOR EFFECTIVE PROCLAMATION**

---

*HippoBooks* How can expository preaching, rooted in a textual analysis of Scripture, be effectively utilized in oral cultures? In *Expository Preaching in Africa*, Ezekiel A. Ajibade engages this challenge directly, offering practical techniques for integrating African oral elements - such as myths, proverbs, folklore, dance, drama, poetry, and storytelling - into preaching that is both biblical and African. Alongside numerous examples and tools, Ajibade provides a rich overview of the nature of orality, the history and development of African preaching, and the reason biblical exposition must be central to gospel proclamation. He reminds us that it is the word of God, incarnated among us, that has the power to transform lives and revitalize nations. Contextualized expository preaching is not, therefore, one technique to be utilized among many; it is, rather, the heart of biblical teaching and the future of the African church. While contributing significantly to studies in contextualization and homiletics, this book is immediately applicable to practitioners, especially African preachers and those working in oral contexts.

## **A WAY WITH WORDS**

### **PREACHING THAT TRANSFORMS CONGREGATIONS**

---

*Church Publishing, Inc.* A vital resource for pastors who seek to transform the culture of their church **A Way with Words demonstrates the power of the weekly sermon to change the culture of a congregation. Using the analogy of language learning, Adam Trambley shows how a consistent ministry focus over an eighteen-month period can help a church address areas that inhibit growth even as the pastor preaches on a diversity of subjects or uses a lectionary. The author explores how important focused preaching can be to moving church development forward and offers a long-term strategy particularly helpful for pastors looking to take full advantage of the opportunities their weekly sermons provide. Each chapter includes discussion questions and practical exercises that can be used as part of a preaching group or seminary class, or to aid the solo pastor in preparing dynamic sermons. This is a topic not generally taught in seminary, but vital for pastors who wear many hats as preachers, pastoral caregivers, and administrative leaders.**
