MADAME BOVARY Psychological Novel from the prolific French writer, known for Salammbô, Sentimental Education, Bouvard et Pécuchet, Three Tales, November e-artnow Madame Bovary is the French writer Gustave Flaubert's debut novel. The story focuses on a doctor's wife, Emma Bovary, who has adulterous affairs and lives beyond her means in order to escape the banalities and emptiness of provincial life. Though the basic plot is rather simple, even archetypal, the novel's true art lies in its details and hidden patterns. Flaubert was a notorious perfectionist and claimed always to be searching for le mot juste ("the precise word"). Madame Bovary takes place in provincial northern France, near the town of Rouen in Normandy. The story begins and ends with Charles Bovary, a stolid, kindhearted man without much ability or ambition. Gustave Flaubert (1821-1880) was an influential French writer who was perhaps the leading exponent of literary realism of his country. The celebrated short story writer Maupassant was a protégé of Flaubert. God's Feminist Movement Redefining a "Woman's Place" From a Biblical Perspective Destiny Image Publishers Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the world by being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichs that minimize a womans true position in Christ! The Eternal Church Destiny Image Publishers Hamon takes readers on a journey throughout the history of the church. Beginning at the origination of the church in the 1st Century, he proceeds to its deterioration during the Middle Ages to the restoration of the church from the time of the Reformation to the present. Reforming Urban Transport in India Issues and Best Practices COPAL Publishing Group Reforming Urban Transport in India is an attempt to take stock of the various issues our cities and towns are facing in the area of urban transport, efforts made and being made both at the policy level as

well as the field level to address the problems, the ever increasing complexities of challenges in the area of urban mobility and some of the laudable initiatives on the ground to handle the problems. This book would be a valuable addition to the limited literature available on the subject of urban transport in India. The topic has not attained much prominence even in the broader discussions on the transport sector issues in the country. The fact that we address our urban transport issues in a casual manner but there is need to take them up in a focused and purposeful manner and this can no longer be delayed is probably the one loud message which is emerging out of this volume. The wealth of knowledge of the contributors, each one of them having huge experience behind them in this sector, makes the book a valuable addition to the literature and a helpful guide in policy discussions.

Visiting Dr. Williams Poems Inspired by the Life and Work of William Carlos Williams University of Iowa Press Loved for his decidedly American voice, for his painterly rendering of modern urban settings, and for his ability to re-imagine a living language shaped by the philosophy of "no ideas but in things," William Carlos Williams (1883-1963) left an indelible mark on

modern poetry. As each successive generation of poets discovers the “new” that lives within his work, his durability and expansiveness make him an influential poet for the twenty-first century as well. The one hundred and two poems by one hundred and two poets collected in *Visiting Dr. Williams* demonstrate the range of his influence in ways that permanently echo and amplify the transcendent music of his language. Contributors include: Robert Creeley, David Wojahn, Maxine Kumin, James Laughlin, A. R. Ammons, Wendell Berry, Heid Erdrich, Frank O’Hara, Lyn Lifshin, Denise Levertov, Wallace Stevens, John Ashbery, Allen Ginsberg, and a host of others. *Doctor Zhivago & an Anatomy of a Revolution* CreateSpace An anatomy of a revolution through the perspective of a free individual. "This is how Greece became Rome and how the Russian Enlightenment became the October Revolution." *Doctor Zhivago* -- Boris Pasternak *Warrior Mums* One of the benefits of social media is getting to meet the parents of special needs children and adults. I have grown to know and truly admire these brave people. Our solitary journeys have taken many different roads, yet we've all connected on sites like Facebook, Twitter, and other forums. The support we give each other is a lifeline-an opportunity to not only share the joys our sons and daughters bring into our lives, but also the chance to rant about the frequent injustices we meet head on. I am honoured to have 'met' so many fantastic Warrior Mums from around the world, so honoured that I decided to feature some of their stories in a blog series, which I have now reproduced in this book. These mums will inspire you, just like they have me, these brave women who share their stories from childhood to motherhood and reveal far more than they normally would, in the hope their stories will help others. *Stuck Asperger's Syndrome and Obsessive-Compulsive Behaviors* There are many challenges that children with Asperger's syndrome (AS) will have to overcome to reach their highest potential. In order to help them progress in constructive ways, those who care for and about these children often need to make changes too, sometimes difficult ones. *Stuck* provides a roadmap for understanding and addressing the complexities of AS, especially the presence of obsessive-compulsive behaviors (OCBs) that so frequently complicate basic functioning for both the child and others involved in their lives. The more knowledge and skills that caregivers can gain about these issues the better. Whether you are a parent, an educator, or a healthcare professional that wants to increase their awareness about Asperger's syndrome and obsessive-compulsive behaviors, you can benefit from the useful concepts and practical, action-oriented activities presented throughout this book. *Quantum Journey Training Course 1 Createspace Independent Publishing Platform* They hope you enjoy the global spirituality that permeates the Quantum Journey Training and the accompanying healing music from the CD "The Promise." New Year Re-Resolution A 14-Day Ayurvedic Program to Lose Weight and Feel Your Best Srimad Bhagavadgita The Vedanta Text Srimad Bhagavadgita (A Vedanta Text) Upanisads are called Vedanta and the synthesis of its concepts is discussed in 'Brahma Sutra' by the great sage Vedvyas. The knowledge of the fundamental entities, as is propounded in the Upanisads, related to the Absolute (Brahma, Pure Self) is included in Srimad Bhagavadgita (Gita), the dialogue between Lord Srikrnsna and the mighty-armed Arjuna. That is why the Gita Text is also called a Vedanta Text. Although from the beginning to the end in the text the Blessed Lord Srikrnsna has given the sermons of carrying out one's duty inspired by one's own inborn nature, but to understand the entire teachings of the Lord the study of the complete text is essential. This is a unique text of metaphysics (the science of reality) and ethics (the art of union with the reality) by which, following the scriptural method of listening, analytical reasoning and firm meditation, a person gets spiritual happiness. Many enlightened sages and learned authors have written commentaries on Gita which are very valuable from the point of view of Religion and Philosophy. In the present text, taking help of the few of these, effort is being made to present the subject matter in a different form. Based on personal experience the following five points are taken into consideration. First, a suitable title is given to each Sloka (verse) so that essentials of the subject matter are known in a short time from the contents of the text. Second, looking to the need of a large number of devotees who have no indepth knowledge of Sanskrit and its pronunciation, each Sloka is also given in the roman script. Third, the meaning of each Sanskrit word is explained in Hindi in such a

way that entire meaning of the Sloka is easily understood and remembered. Fourth, keeping in view the pattern of present education and interest of young students, the meaning of each Sloka is also given in English along with Hindi. Fifth and the last point is about the short explanation of each Sloka. The thoughts of any one tradition in vogue are not fully incorporated but partly taken into consideration, which are essential to understand the in-depth meaning of the teachings and the rest is left to learned reader for his/her interpretations. It is advised to study the known standard texts for detailed explanations. **Discovering the Miracle of the Scarlet Thread in Every Book of the Bible A Simple Plan for Understanding the Bible** Destiny Image Pub Yes you can understand the Bible! **Discovering the Miracle of the Scarlet Thread in Every Book of the Bible** takes the mystery and confusion out of the Bible and makes God's Word come alive with new insights and a fresh excitement that will have you searching for more. **Dr. Richard Booker** unveils the mysteries and secrets of the Bible by explaining its master theme, and then reveals a simple plan so you can discover God's personal revelation for yourself. **Extracts of the Journals of the Rev.
