THE FUTURE OF ASEAN

Institute of Southeast Asian Studies The Singapore Lecture Series was inaugurated in 1980 by the Institute of Southeast Asian Studies with a founding endowment from the Monetary Authority of Singapore (MAS), and augmented by a generous donation in 1983 from Exxon Mobil Asia Pacific. The Singapore Lecture is designed to provide the opportunity for distinguished statesmen, scholars, and writers and other similarly highly qualified individuals specializing in banking and commerce, international economics and finance and philosophical and world strategic affairs to visit Singapore. The presence of such eminent personalities will allow Singaporeans, especially the younger executive and decision-makers in both the public and private sectors, to have the benefit of exposure to - through the Lecture, televised discussions, and private consultations - leaders of thought and knowledge in various fields, thereby enabling them to widen their experience and perspectives. On 22 April 2014, the 34th Singapore Lecture was delivered by His Majesty Sultan Haji Hassanal Bolkih Mu'izzaddin Waddaulah, Sultan and Yang Di-Pertuan of Brunei Darussalam, under the distinguished Chairmanship of Mr Teo Chee Hean, Deputy Prime Minister, Coordinating Minister for National Security and Minister for Home Affairs, Singapore.
